3. COMMENCEMENT

- 3.1 This Benefit Statement commences on the Effective Date and will continue indefinitely, subject to our right at our sole discretion to cancel and/or amend a Thrive Benefit in accordance with the Thrive Rules.

4. THRIVE BROKERAGE BENEFIT

- 4.1 Thrive has levels from 0 - 10 (each a "Thrive Level" and collectively, the "Thrive Levels"). Thrive Levels are earned in the current Calendar Month and rewarded in the following Calendar Month. There are several Thrive Activities you can complete in a Calendar Month to achieve a Thrive Level. The Thrive Activities are published on the EasyEquities Platform and may be amended by EasyEquities, in its sole discretion, from time to time. It is your responsibility to view the Thrive Levels and corresponding Thrive Activities as published on the EasyEquities Platform.
- 4.2 Each Thrive Level carries a unique Thrive Brokerage Benefit which will be applied to the Brokerage Fee charged by EasyEquities for the purchase and sale of a Thrive Stock. Each Thrive Activity that you complete in the current Calendar Month will earn you a Thrive Level and each Thrive Level achieved in the current Calendar Month will earn you the associated Thrive Brokerage Benefit for the next Calendar Month.
- 4.3 Each Thrive Activity must be successfully completed by you in accordance with the Thrive Platform Terms and this Benefit Statement.
- 4.4 The Thrive Brokerage Benefit only applies to the purchasing and selling of Thrive Stocks on the EasyEquities Platform.
- 4.5 The Thrive Brokerage Benefit is only available in respect of trading on the EasyEquities Platform. The Thrive Brokerage Benefit is not available through telephone trading and/or trading through direct market access. The Thrive Brokerage Benefit is not available for trading in Bundles or Baskets.

5. THRIVE FEE

- 5.1 We will charge you a monthly Thrive Fee of R25.00. The Thrive Fee will be deducted from your EasyEquities account which has a Free Cash balance greater than R25.00 on the 3rd business day of the next Calendar Month. If you have more than one EasyEquities account with a Free Cash balance greater than R25.00, the Thrive Fee will be deducted from the EasyEquities account with the highest Free Cash balance. Should none of your EasyEquities accounts have Free Cash greater than R25.00, the Thrive Fee will be deducted from your EasyEquities account with the highest NAV. Thrive Fees will not be deducted from EasyEquities retirement fund accounts.
- 5.2 If your EasyEquities account with the highest Free Cash is a non-ZAR account, we will convert the Thrive Fee to the applicable foreign currency at the prevailing exchange rate at the time the Thrive Fee is deducted from the applicable account and deduct the Thrive Fee from said EasyEquities account.
- 5.3 **If none of your EasyEquities accounts has sufficient Free Cash (ie Free Cash greater than R25) to pay for the Thrive Fee, we may sell some or all your investments in your EasyEquities account which has the highest NAV based on tradeable assets to pay for the Thrive Fee.** Prior to the sale of any investments, EasyEquities will provide you with 14 business days written notice via email and give you the opportunity to provide your preferences regarding the recoupment of the debt owed to EasyEquities. It is your responsibility to ensure that you can receive emails from EasyEquities and that EasyEquities has your correct email address. To the extent that EasyEquities does not receive a response from you within the prescribed time period, your investments will be sold proportionally across all your tradeable holdings in the applicable EasyEquities account.
- 5.4 You will not be charged the Thrive Fee for the current Calendar Month if:
- (1) you achieve a Thrive Level 3 or higher;
 - (2) you are 21 years of age and below;
