Note 1:

The Broker Commission charge is charged at 0.25% of the Rand value of each transaction (buy and sell) you enter into on the EasyEquities Platform which attracts the Brokerage Commission charge. A minimum charge of 1c per transaction will apply and the charge will be rounded to the nearest cent.

Note 2:

Securities transfer tax is levied by SARS at 0.25% of the nominal value of any purchases of shares. In respect of Fractional Security Rights, we charge a similar administration fee so that once you have accumulated a Whole Share, we would then pay this amount to SARS on your behalf.

Note 3:

This fee includes the electronic settlement of your transactions through the electronic settlement authority for whole shares and the administration fee represents an upfront recovery on the Fractional Security Rights (FSRs) portion.

Note 4:

The investor protection levy is a mandatory charge levied by the regulator at 0.00031% on the value of Whole Shares traded for the regulation of the securities market and in dealing with issues such as insider trading and market manipulation, which is ultimately for the benefit of investors. The administration fee represents an upfront recovery on the Fractional Share Rights (FSR's) portion.

Note 5:

As EasyEquities is an online business, our business model relies on clients placing trades through the platform and not via telephone. In the event that you place a trade via telephone, we will charge you R50 per trade, as this consumes resources. In the event of our systems being down, for whatever reason, you will be allowed to place trades via telephone free of charge.

Note 6:

There are various mechanisms to deposit money into your EasyEquities ZAR account. You are advised to consider rather depositing funds into your EasyEquities ZAR account via Electronic Funds Transfer (EFT), as it is significantly cheaper than credit card deposits, debit orders and secure internet deposits.

Credit or Debit Card Charges

Depositing money via credit or debit card is costly. EasyEquities is charged (by our credit/debit card merchant) a fixed fee of R1.60 per credit or debit card deposit as well as a variable fee amounting to 2.2% of the deposit value; hence we charge you a similar charge in order to recoup these costs.

Debit Order Fees

Debit order processing fees are charged at R0 per transaction.

Debit Order Failure Charge

Debit Order Failure Fees are charges that will be debited against your EasyEquities ZAR account in respect of each debit order returned to us as unsuccessful by the debit order merchant.

Note 7:
Portfolio/ Account Transfers In

A client has the ability to transfer their entire portfolio or part thereof from another broker to EasyEquities. When a client transfers their entire portfolio or part thereof we are charged a handling fee by our Clearing and Settlement Depository Participant; hence we are subsidising the entire fee.

Portfolio/ Account Transfers Out

A client has the ability to transfer their entire portfolio or part thereof from EasyEquities to another broker. When a client transfers their entire portfolio or a part thereof we are charged a handling fee by our Clearing and Settlement Depository Participant, we recover these fees at a margin as a result of the resources utilised to facilitate the transfer.

Note 8:

The Voucher Fee is a charge levied by our voucher technology partners for the administration and issuance of vouchers on the EasyEquities Platform.

Note 9:

Recurring Investment Fee

This is a fee that is charged for a Recurring Investment Order placed for purchasing securities. The Recurring Investment Fee will be charged in addition to any other fees and costs listed in this Cost Profile.

Note 10:

The usual settlement period on the sale of instruments / products on the EasyEquities Platform is 5 business days. If you require urgent access to funds, we can process the settlement within 24 hours for the Early Settlement Fee stipulated in the table above.

Note 11:

If you hold an original share certificate and wish to convert these shares into electronic format, a dematerialisation process will need to be carried out. As this is a detailed and admin intensive process, accordingly we charge a Dematerialisation Fee to recoup our costs.

The EasyFX Transfer Fee is calculated as (50bps (0.5%) x transferred amount) plus applicable tax. This is a flat fee on all EasyFX Transfers made via the EasyEquities Platform for outward and inward EasyFX Transfers. Please note that EasyFX Transfer Fees that equal less than 1c will not be displayed on the EasyEquities Platform however, these fees will still be charged against your account notwithstanding that they are not displayed. EasyEquities reserves the right to recoup these fees from you at all times.

Note 13:

This Annual Unit Trust Platform Fee will be charged annually and paid monthly. The Annual Unit Trust Platform Fee relates to the cost of the ongoing administration of your investments in Unit Trusts and is calculated as a percentage of the total annual net asset value of your investments in Unit Trusts.

Note 14:

The Advanced Order Fee will be debited against your EasyEquities ZAR account for Advanced Buy Limit Orders, Advanced Sell Limit Orders, Break Orders, Stop Loss Orders and Take Profit Orders. The Advanced Order Fee will be charged in addition to any other fees and costs listed in the Cost Profile.

Interest on Free Cash for both EasyEquities and TFSA Accounts

EasyEquities will pay clients interest on available funds on deposit (being all client cash not held as Margin) (“Free Cash”).

The Net Interest paid to clients on Free Cash will be calculated as follows:

Free Cash Amount	Interest earned on Client Free Cash	Cash management fee (incl. Vat)
Reference rate		
R0 - R100 000	Prime -3.50%	(1.75%)
R100 000 - R 1 000 000	Prime -3.50%	(1.50%)
R1 000 000 +	Prime -3.50%	(1.27%)

All client accounts will have an Interest earned accrual amount allocated daily, calculated at the applicable rate per annum, as well as a Cash Management Fee expense accrual allocated daily, as indicated in the table above. On the first Business Day of the following month, the interest accrued over the month will be credited to client accounts, and the Cash Management Fee accrued over the month will be debited from client accounts.

Basket Fees

The Basket fees are charged to cover the intellectual property of the Basket creator. Basket fees are charged as a percentage of the Basket value.

The Basket fees are charged at an instrument level; hence will incur a minimum charge of 1c per instrument included in theBasket, and the fee per instrument will be rounded to the nearest cent.

The Basket fee applicable to a particular Basket is displayed on the EasyEquities Platform.

Bundle Fees

The Bundle fees are charged to cover the ongoing management of each Bundle and are charged in the following manner:

1. Initial Bundle Fee: is a once-off fee payable in advance when you first invest in a particular Bundle for the ongoing management of each Bundle you hold and accrues at the beginning of each calendar year (1 January). Where you invest in a Bundle after 1 January, this fee will be reduced proportionately according to the number of days left in that calendar year.
2. Bundle Renewal Fee: is an annual management fee payable each calendar year on the first day of the year for the ongoing management of each Bundle you hold.

Bundle fees are charged as a percentage of the total Rand value of the investment and will range between 0.5% and 1.5% depending on the Bundle invested in. The Bundle fees applicable to a particular Bundle are displayed on the EasyEquities Platform.

Thrive Fees

Thrive by EasyEquities is a loyalty program designed to help you build smart investing habits and connect with a community of investors. By engaging in rewarding activities, Thrive supports your journey toward financial growth and independence. For details please see the Thrive Rules and Thrive Brokerage Benefit Statement.

We charge a monthly Thrive Fee of R25.00. Here's how it works:

When we deduct the fee:

The Thrive Fee will be taken from the EasyEquities account with the highest Free Cash balance (greater than R25.00) on the 3rd business day of the next month. If you have multiple accounts, the fee will be charged to the account with the highest Free Cash balance.

If no account has Free Cash:

If none of your accounts has more than R25.00 in Free Cash, the fee will be deducted from the account with the highest overall Net Asset Value (NAV). Note, Thrive Fees are not deducted from EasyEquities retirement accounts.

For non-ZAR accounts:

If the account with the highest Free Cash is in a foreign currency, we will convert the R25.00 Thrive Fee to that currency at the current exchange rate and deduct it from that account.

When assets may be sold to cover the fee:

If none of your accounts has sufficient Free Cash, we may sell some of your tradeable assets in the account with the highest NAV to cover the Thrive Fee.

You won't be charged the Thrive Fee for the current month if:

1. you reach a Thrive Level 3 or higher;
2. you're 21 years old or younger;
3. you're 65 years old or older;
4. you're Corporate Body;
5. you have an active EasyCredit Loan or have an active EasyProtect Policy; or
6. you perform any other act which we determine in our sole and absolute discretion constitutes an exemption.
