Summary Guide

This table summarises the key features of the EasyEquities product, so that you can use this as a guide when reading the legal terms and conditions. This table is not a legal agreement. For a proper understanding, you must read all of the terms and conditions set out in the Agreement.

Parties	<ul style="list-style-type: none"> You and First World Trader Proprietary Limited (“FWT”) where (i) FWT will act as your intermediary for your Trades in Securities through FWT’s appointed UK Broker or (ii) FWT will issue you with a Fractional Security Right as principal where you do not have enough money to buy a Whole Security.
What are UK Securities?	<ul style="list-style-type: none"> They are Securities (for example shares) which are listed on a stock exchange in the United Kingdom (for example the London Stock Exchange). Where you cannot afford a Whole Security, you can still invest in a fraction of a Security by entering into a CFD Transaction with us to obtain Fractional Security Rights. We use a UK Broker to buy, sell, clear and settle Securities bought and sold on a UK securities exchange, and to hold your Securities in safe custody. You place Orders for Securities via the EasyEquities Platform.
How do I trade?	<ul style="list-style-type: none"> First, you must activate your Account with us for all your Trades in UK Securities. Then, you must transfer money into a GBP account held in the name of FWT Nominees through the payment methods listed in clause 29. You may only buy Securities with the Free Money available in your Account. If you are a SA Resident, you may not utilise a debit or credit card to fund your Account for any purpose under this Agreement. Your Account may not be funded by means of a debit order.
Regulations	<ul style="list-style-type: none"> FWT will act as your broker (intermediary) in respect of the purchase and sale of Whole Securities and in doing so will be subject to the provisions of FAIS. FWT is a registered FSP authorised to act as your broker in respect of the purchase and sale of Whole Securities. The issue of CFD Transactions is not subject to FAIS, but is subject to the Financial Markets Act, 2012 (FMA) – see paragraph 1.6. Where you do not have enough money to buy a Whole Security. FWT will enter into a CFD Transaction with you on a principal-to-principal basis in order to issue you with a Fractional Security Right and in doing so will be subject to the provisions of the FMA. FWT is in the process of obtaining an over-the-counter derivatives provider licence in order to issue you with Fractional Security Rights on a principal-to-principal basis. FWT applied for its licence prior to the cut-off date and as such is authorised in terms of Applicable Law to enter into CFD Transactions and issue Fractional Security Rights as normal until it receives its licence from the FSCA. You will be subject to the provisions of Applicable Law, including UK securities and taxation laws. UK Securities are not tax free products.
Other	<ul style="list-style-type: none"> Only non-residents of the UK may open an Account for UK Securities with us. If you are a SA Resident and a minor, you may not open an Account for UK Securities with us until you have attained the age of majority.

Buying and Selling Securities on the EasyEquities Platform

How to buy a Security	<ul style="list-style-type: none"> Place an Order for a chosen Security in GBP or number of Securities. <ul style="list-style-type: none"> If you place your Order in GBP, for example GBP1 200 worth of Securities: <ul style="list-style-type: none"> If the Securities are trading at GBP500 per Security you will buy 2 Whole Securities and you will have the benefits of owning those 2 Whole Securities; You will have a remaining balance of GBP200, which is not enough to buy another Whole Security;
-----------------------	---

	<ul style="list-style-type: none"> ▪ We will enter into a CFD Transaction with you and the Underlying Reference Instrument will be 40% of that Security (this is because GBP200 is 40% of GBP500, the Security's current price); ▪ You will have a contractual right under the CFD Transaction to 40% of the income earned on the Underlying Reference Instrument, and to the changes in the value of the Underlying Reference Instrument, pro-rated to 40%. We call this a Fractional Security Right; and ▪ As with all CFD Transactions you will not own the Underlying Reference Instrument; ▪ You will have a contractual claim against us under the CFD Transaction, which means that you may enforce your rights under this Agreement and any CFD Transaction directly against us, and only us. <ul style="list-style-type: none"> ○ If you place your Order by number of Securities: e.g.: 200 Whole Securities: <ul style="list-style-type: none"> ▪ You will pay for and own 200 Whole Securities.
How to sell a Security	<ul style="list-style-type: none"> • You may not sell a Whole Security which you do not own. • You may: <ul style="list-style-type: none"> ○ sell any of your Whole Securities on the EasyEquities Platform by placing a sell Order; or ○ close out any CFD Transaction over an Underlying Reference Instrument. • Proceeds from sales will be paid to you up to 5 (five) Business Days after the Trade date.
How to buy a Basket	<ul style="list-style-type: none"> • Place an Order for a chosen Basket in GBP. <ul style="list-style-type: none"> ○ Each Basket is made up of a list of certain Securities. ○ You will not be able to add any Securities to the selected Basket but you may remove any Securities you do not wish to Trade in from the Basket, subject to clause 17. ○ You will be issued with Whole Securities and Fractional Security Rights in the Securities listed in any particular Basket in accordance with the GBP value of the Order which you place in respect of a particular Basket. ○ An additional Basket Administration Fee will be payable in accordance with clause 17.4.
How to buy a Bundle	<ul style="list-style-type: none"> • You must accept and execute the relevant Bundle Mandate prior to placing a buy Order for a particular Bundle. • Place an Order for a particular Bundle in GBP: <ul style="list-style-type: none"> ○ Each Bundle is made up of a list of certain Securities. ○ You will not be able to add any Securities to the selected Bundle and you may not remove any Securities from the Bundle, subject to clause 18. ○ You will be entitled to sell your Bundle in its entirety at any time on the EasyEquities Platform. ○ You will be issued with Whole Securities and Fractional Security Rights in the Securities listed in any particular Bundle in accordance with the GBP value of the Order which you place in respect of a particular Bundle. • An additional Initial Bundle Fee and (where applicable) Bundle Renewal Fee will be payable by you in accordance with the Bundle Mandate for the administration of the Bundle.
Recurring Investments	<ul style="list-style-type: none"> • You may place an Order for specified Recurring Investments, subject to clause 14, to buy a pre-determined GBP value of Securities at multiple future dates. • For example, you may set up a Recurring Investment to buy GBP1000 worth of Issuer A Securities every month. • You must ensure that you always have enough Free Money in your Account to pay for your Recurring Investments. • Additional Recurring Investment Fees will be payable.

What protections do you have?

Cash and Securities	<ul style="list-style-type: none"> • Your cash and Securities are held by the UK Broker or FWT Nominees (whichever is applicable) in terms of Applicable Law. Your cash and Whole Securities belong to you and will be kept separate from our estate and assets, and from the estate and assets of the UK Broker.
---------------------	--

	<ul style="list-style-type: none"> Your cash and Securities will be held on an omnibus basis together with the cash and Securities of our other clients in a cash and securities account opened in the name FWT Nominees with the UK Broker.
<p>Profit and Margin in respect of Fractional Share Rights</p>	<ul style="list-style-type: none"> When you enter into a CFD Transaction you must pay us Margin in terms of clause 12.7(3) - 12.7(5). You may also earn a profit in terms of clause 12.7(4) - 12.7(6). The money that you give us as Margin or that constitutes your profit is held in the FWT UK Bank Account operated by FWT Nominees for your benefit. Your Margin is used by FWT to purchase the FWT Equities to hedge FWT's obligations to you in respect of your CFD Transaction. This protects you in an Insolvency Event. We cede to you the rights to the funds in the FWT UK Bank Account and the FWT Equities, purchased with your Margin as security for any payments we may owe you under the Agreement.

Trading Risks

<p>Profits and Losses</p>	<ul style="list-style-type: none"> You are responsible for all Trades on the EasyEquities Platform. We do not give you any advice or recommendations regarding Trades. The issue of CFD Transactions is not subject to FAIS and you may not rely on the provisions of FAIS in respect of your CFD Transactions. You are responsible for any profits or losses as a result of Whole Securities which you buy and sell or decisions you make regarding close out of a CFD Transaction. Engaging in this type of transaction can carry a high risk and you may lose all of your money in respect of Whole Securities and CFD Transactions. CFD Transaction trading does not occur on a Recognised Exchange and, may consequently expose you to greater risks than an exchange based transactions.

TERMS AND CONDITIONS

1. INTRODUCTION

- 1.1 This client agreement, including any Annexures, (“**Agreement**”) sets out the terms and conditions between you (being an individual (“**you**” or the “**Client**”) and First World Trader Proprietary Limited (“**FWT**” or “**we**” or “**us**”), to open an EasyEquities UK trading account (an “**Account**” or “**UK Trading Account**”) and receive services from us primarily through your investment in Securities, including Whole Securities and Fractional Security Rights via our EasyEquities Platform.
- 1.2 FWT acts as an agent for the purchase of Whole Securities, where you are the beneficial owner of those Whole Securities, are entitled to Dividends, participation in Corporate Actions and all the economic benefits and risks associated with share ownership of the Security. In respect of Fractional Security Rights, FWT acts as principal to a contract for difference issued to you where you will have a contractual claim against FWT to the economic benefits (or losses) associated with share ownership (price movements and Dividends) without having ownership rights in the underlying share. Fractional Security Rights which are issued through a contract for difference, are an over the counter derivative. Unlike Whole Securities, Fractional Security Rights do not carry any voting rights. As you make further investments in Fractional Security Rights, the value of your Fractional Security Rights may ultimately add up to a Whole Security and the contract for difference will be closed out and a Whole Security will be delivered to you.
- 1.3 **There are clauses in this Agreement that require your careful consideration. To assist you, those terms that may limit any of your rights, or that provide for specific acknowledgements or warranties required by/from you, are in bold font. You acknowledge that you have read and appreciated the importance of the terms and clauses in bold font.**
- 1.4 This Agreement is legally binding and all Trading under it is enforceable against either Party. **By completing your Application Form, you acknowledge that you have read the Agreement and that you fully understand its contents and you agree that all your Trading with us will be governed by the terms and conditions of the Agreement. This Agreement is subject to our standard Website Terms of Use and your Bundle Mandate (if applicable) (Annexure A, B, C and D). You should not commence Trading with us unless you fully understand the terms and conditions of the Agreement. If you would like us to explain any of the terms and conditions to you, you can submit a ticket via the support portal and ask us any questions you may have.**
- 1.5 The applicability of the Financial Advisory and Intermediary Services Act, 2002 (“**FAIS**”):
- (a) FWT is an authorised Financial Services Provider (“**FSP**”) under FAIS, and is licensed by the Financial Sector Conduct Authority of South Africa (“**FSCA**”) to provide advice and intermediary services in respect of various financial products, including equities.
 - (b) FWT is a registered FSP with FSP number 22588 and is authorised to act as an intermediary (that is, as a broker) in terms of FAIS in respect of all Trades in Whole Securities executed on the EasyEquities Platform. FAIS will govern our obligations to you under the Agreement, in relation to Whole Securities. If there is any conflict between the terms of this Agreement and FAIS and/or applicable FSCA regulations then FAIS and the relevant FSCA regulation(s) will prevail.
 - (c) We shall act as a FAIS licensed intermediary (that is, a broker) under the auspices of our FAIS licence in respect of all transactions concluded via the EasyEquities Platform in respect of Whole Securities. Your Trades in Whole Securities will be executed, cleared and settled by the UK Broker we appoint, subject to the provisions of Applicable Law. In terms of clause 22, your cash and Securities will be held in safe custody on an omnibus basis together with the cash and Securities of our other clients in segregated accounts opened in the name of FWT Nominees and held either by the UK Broker or by FWT Nominees (whichever is applicable) subject to the provisions of Applicable Law.
- 1.6 The applicability of the Financial Markets Act, 2012 (“**FMA**”):
- (a) All Trades executed on the EasyEquities Platform in respect of Fractional Security Rights are entered into by means of a CFD Transaction concluded between you and FWT on a principal-to-principal basis. This means that the principals to the CFD Transaction will be FWT on the one hand and you on the other hand.
 - (b) FWT is in the process of obtaining an over-the-counter derivatives provider licence under the FMA in order to enter CFD Transactions with you on a principal-to-principal basis. FWT applied for its licence prior to the cut-off date and as such is authorised in terms of Applicable Law to enter into CFD Transactions and issue Fractional Security Rights as normal until it receives its licence from the FSCA.

1.7 You must ensure that you understand this Agreement and the nature of our service before you begin to Trade.

- 2.2 This definitions clause is not exhaustive and you will find other terms defined elsewhere in this Agreement.
- 2.3 If any provision in a definition confers rights, or imposes obligations on you or us, effect is given to it as a substantive provision of this Agreement.
- 2.4 Any capitalised term used but not defined in any Annexure will, unless the context shows otherwise, have the same meaning as in this Agreement.
- 2.5 Any reference in this Agreement to a person means any natural person.

3. WARRANTIES AND UNDERTAKINGS

- 3.1 When you submit your Application Form to us and each time you place an Order to Trade, you represent and warrant to us that as the Client and Account Holder:
- (1) **you are not a UK Resident;**
 - (2) **you do not require any approval to open your Account under any Applicable Law;**
 - (3) **to the extent that you require any approval to open your Account and commence Trading, you have obtained all necessary approvals required under Applicable Law prior to opening your Account and Trading on the EasyEquities Platform;**
 - (4) **you know and understand that you open your Account of your own volition and the opening of an Account on the EasyEquities Platform and the availability of any Securities on the EasyEquities Platform shall not be considered a solicitation by FWT to you to buy or sell Securities if such solicitation would be illegal under the Applicable Law of your jurisdiction;**
 - (5) **you know and understand that access to the Website by you does not constitute an offer to sell Securities, a solicitation of an offer to buy Securities or a recommendation of any Security or any other product or service offered by FWT on the EasyEquities Platform;**
 - (6) **you enter into the Agreement and Trade with us as principal, in your own name, on your own behalf only for yourself and not on behalf of a third party as that party's agent or representative;**
 - (7) **you are fully authorised and legally entitled to enter into the Agreement, to conduct Trading with us and to perform your obligations under the Agreement;**
 - (8) **you will not use our name or any of our trademarks in any way without our prior written consent;**
 - (9) **you are of legal age in the country in which you reside and have contractual capacity to enter into and perform your obligations under this Agreement;**
 - (10) **if you are a SA Resident for the purposes of Exchange Control:**
 - (a) **you have obtained the necessary Exchange Control approvals which may be required to open this Account, to pay GBP into the FWT UK Bank Account offshore or otherwise transfer GBP out of South Africa, and to Trade the Whole Securities in the manner contemplated in this Agreement;**
 - (b) **you will perform your obligations and exercise your rights in terms of this Agreement only within the parameters of any Exchange Control approvals contemplated in clause 3.1(10)(a) above and within any foreign investment or remittance allowance to which you may be bound under Exchange Control or in terms of any other Applicable Laws;**

- (c) you know and understand that you have a foreign investment allowance of R10 million per calendar year for all of your investments made outside of the Common Monetary Area provided that in all instances you have obtained a duly completed "Tax Clearance Certificate – Foreign Investment Allowance" from the South African Revenue Service;
 - (d) you know and understand that you have a single offshore discretionary allowance of R1 million per calendar year for all other remittances outside of the Common Monetary Area; and
 - (e) you know and understand that the provisions to which you may be bound under Exchange Control, including without limitation, your offshore investment and other remittance allowances are subject to change at any time at the discretion of the South African Reserve Bank and you alone are responsible for confirming whether it is lawful under Exchange Control or in terms of any other Applicable Laws to Trade with us at any given time.
- (11) you will use the services offered in this Agreement, in good faith and will not perform any act, whether intentionally or negligently, to defraud or cause any direct or indirect loss, harm or damage to FWT, its Affiliates or any of its clients;
- (12) you will not use any electronic device, software, or any trading strategy that seeks to manipulate the manner in which we construct and/or provide our buy or sell prices;
- (13) you are not prevented by any Applicable Law from Trading on the EasyEquities Platform and when you Trade, you will comply with your obligations under Applicable Law; and
- (14) all information given by you in connection with the FWT services provided in terms of the Agreement is true and correct, and FWT may rely on the truthfulness and correctness of that information.
- 3.2 You are responsible to ensure that each of the warranties set out above is complied with at all times because we will rely on the warranties and if at any time you are in breach of any warranty, you will be liable to us for any loss or damage which we suffer. We will be entitled, in our absolute discretion and for as long as the breach is not remedied to suspend your Account and/or close any Trade you have open at the market price prevailing at the time of closure.
- 3.3 You undertake that, throughout the duration of the Agreement, you will, as quickly as you reasonably can, (i) inform us and (ii) confirm the information in writing if:
- (1) you have reason to expect that there will be a change in your financial position as set out in your Application Form and that the expected change may, if it came to our attention, affect our decision as to whether or not to operate your Account; or
 - (2) there has been an actual change in your financial position, and the change may, if it came to our attention, affect our decision as to whether or not to operate your Account; or
 - (3) there is any change of your contact or any other details as set out in the Application Form.
- 3.4 Any breach of undertaking will entitle us, for as long as the breach is not remedied and in our absolute discretion, to close any open Trade you have at the market price prevailing at time of closure.
- 3.5 We do not give any express or implied warranty regarding the EasyEquities Platform, Website, telephone service or any other aspect of our service. In particular, we do not warrant:
- (1) The correctness, accuracy, timeliness, reliability or completeness of any information which we receive from third party data providers that you may obtain through the EasyEquities Platform. We will publish the information received directly from our third party data providers on the Website, but we cannot guarantee the accuracy of the information which they provide to us. You must read clause 42 of this Agreement to resolve any issues regarding Manifest Errors, as defined in that clause;
 - (2) The continued availability or uninterrupted access to the EasyEquities Platform, any of the functions of the EasyEquities Platform; or
 - (3) That the EasyEquities Platform will be free of viruses, bugs, trojans or any other harmful coding.

3.6 Any Issuer whose Issuer Securities may be purchased through the EasyEquities Platform may rely on the representations, warranties, and agreements given by you in this Agreement and otherwise to FWT as if that Issuer were a party to this Agreement.

4. TRADING VIA THE EASYEQUITIES PLATFORM

4.1 The online EasyEquities Platform allows you to place Orders to purchase or sell Issuer Securities listed on a Recognised Exchange. The fact that a particular Issuer Security is listed on the EasyEquities Platform does not mean that FWT is making any recommendation in relation to that Issuer Security, or that the purchase of that Issuer Security is an appropriate investment for you. The Issuer Securities available on the EasyEquities Platform are not chosen based on current or perceived future value. As with all securities, the Issuer Securities may gain or lose value and there is always the risk that the Issuer Securities could lose all of their value.

4.2 **You acknowledge that all investment decisions are made solely by you.** In addition, any information relating to particular Issuer Securities available on the EasyEquities Platform, whether provided by us or by an Issuer, will not constitute a recommendation from us regarding a particular security, transaction, or investment. **This means that you make your own choices about investment decisions and even if you rely on information provided on the EasyEquities Platform, we will not be responsible for any losses you suffer because of investments made through the EasyEquities Platform.**

4.3 You agree that your Trading on the EasyEquities Platform will be subject to, and take place in accordance with, Applicable Law in effect from time to time.

4.4 The EasyEquities Platform does not facilitate the matching of buy Orders and sell Orders for securities of multiple buyers and sellers. The EasyEquities Platform is not an "exchange" as defined in the FMA.

5. APPLICATION TO OPEN AN ACCOUNT

5.1 Before you can Trade Issuer Securities on the EasyEquities Platform, you are required to complete an Application Form and agree to the terms and conditions set out in this Agreement.

5.2 You must complete your Application Form via the Website.

5.3 We are required, under the Financial Intelligence Centre Act, 2001 ("**FICA**") to take steps towards the prevention of money laundering. We therefore need to confirm the identity of each Client and each Authorised User, source of income and source of funds of each Client and Authorised User and, before we open your Account, we will request such information as we consider necessary to confirm and verify this information. As part of our anti-money laundering obligations under FICA, we may monitor money moving into and out of your Account, and provide reports of any suspicious movements of money, for example money deposited into your Account, and then removed, to the Financial Intelligence Centre. We also reserve the right to apply ongoing measures to monitor the transactions and Trades in your Account, request additional information where necessary and close your Account if we have reason to believe that you are depositing and withdrawing money from your Account (whether by means of credit card transaction or other payment method) for any reason not expressly provided for in this Agreement and further to levy a penalty of 2.5% (excluding VAT) on all deposits and withdrawals which we deem to be made other than for reasons expressly provided for in this Agreement.

5.4 All applications to open an Account are subject to requests for further information and final approval by our compliance department.

5.5 Despite the fact that we do not grant you any credit facilities or loans under this Agreement, you authorise us to carry out any credit and/or identity checks which we deem appropriate including obtaining references from your employer and bank and/or contacting a credit reference agency.

5.6 You authorise us to give information, which may be protected by data protection legislation, including amongst others, POPI, regarding your Account and trading history to any person we reasonably determine to be seeking a credit reference in good faith for any lawful reason.

5.7 We will tell you, as soon as possible, that we have received the Application Form and we may make any further enquiries and request any further information which we may need.

5.8 By opening an Account or continuing to Trade with us, you agree to comply with all of our rules in terms of FICA and requests for information.

5.9 You acknowledge that FWT:

- (1) **may decline an application to open an Account in our sole and absolute discretion and need not give reasons for our decision; and**
- (2) **does not have to grant equal terms to each customer.**

6. USER ID AND PASSWORD

6.1 If FWT accepts you as a Client and agrees to open an Account in your name, you will be provided with an Account number, username (which may or may not be your own full name) and a password (together your "**Account Details**"). For online registration, you may choose your own username and password.

6.2 You should memorise all your Account Details. You will not be considered a Client until your live Account has been duly accepted by us in terms of this Agreement. You should not keep a written record of your Account Details or give them to any other person.

6.3 You will contact us immediately when you become aware or suspect that:

- (1) any unauthorised person has gained access to your Account Details;
- (2) your Account Details have been lost, stolen or misused; or
- (3) any other breach of security has occurred.

6.4 You will change your Account Details immediately when you become aware of or suspect any one of the circumstances set out above.

6.5 We may suspend your use of the EasyEquities Platform if:

- (1) we have reasonable grounds to suspect that the confidentiality of your Account Details has been compromised or breached; or
- (2) you tell us that you know or suspect that your Account Details may be known by, or used by, an unauthorised person.

6.6 You may not give permission to someone else to Trade with your Account Details unless that person is an Authorised User on your Account. **However, if someone uses your Account Details (irrespective of whether or not that person is doing so with your permission) you will be solely responsible for all Orders transmitted using the EasyEquities Platform, or the use of any information or services obtained or used through the EasyEquities Platform.** The sole exception to your liability in this instance is where you can prove that the person using your Account Details got them from us as a result of our negligence.

7. YOUR ACCOUNT

7.1 For your Trading via the EasyEquities Platform, we will open an Account on your behalf. As stated on our Website, promotional materials and customer communications from time to time, you may be told of your placement into a specified customer group or you may be offered the opportunity to associate your Account with a specified customer group. Our classification of your Account this way is solely at our discretion and subject to any applicable terms and conditions that we may publish or otherwise communicate to you from time to time, both in terms of when the classification will take effect and when the classification may expire. Certain customer classifications may result in an increase, decrease, or even waiver of one or more items listed on the Cost Profile.

7.2 You earn interest, at the interest rate set out in your Cost Profile, on any Free Money reflecting in your Account. The interest is calculated and compounded daily, at the relevant rate based on the balance of your Free Money plus accrued interest (if any) and is accrued to your Account daily. The accrued interest will be included in your Account balance calculation, but it will not be available for withdrawal or Trading until it is credited to your Account. The interest accrued over the month is credited to your Account on the first Business Day of the following month, at which time it will become part of your Free Money. We have the right, in our sole discretion, to change the rate of interest payable from time to time particularly to take into account changes in any factors we determine to be relevant. Any changes will be set out in your Cost Profile.

- 7.3 If your Account is inactive i.e. no Orders or Trades are placed, no CFD Transactions are opened or closed or there are no Whole Securities held in your Account, and no other positions are held, for a period longer than 24 months, your Account will be deemed dormant (“**Dormant Account**”). Free Money in Dormant Accounts will not earn any interest as contemplated in clause 7.2 and Dormant Accounts will be subject to an inactivity fee (as detailed in the Cost Profile).
- 7.4 You are our customer and are personally responsible for performing your obligations under the Agreement.
- 7.5 If we have reason to believe that someone other than you may be controlling or otherwise Trading through your Account, then we may suspend or close your Account as we see fit. The same applies if we suspect that someone other than you has a duly executed power of attorney over your Account and we have not agreed to this arrangement.
- 7.6 In addition to all of your other obligations in terms of this Agreement, your Account is at all times subject to review by our compliance department which, in its discretion, may ask you for additional documents or other information. Your failure to provide documentation and information requested within a stipulated time may, at the election of the compliance department, result in your Account being suspended or closed immediately. Such suspension or closing may be permanent or until any and all issues are resolved to the satisfaction of the compliance department.
- 7.7 Trading with us is on an execution-only basis. This means that we carry out the Trading instructions (Orders) that you give us and that we owe you no duty in respect of the suitability of your Trading with us or to provide any information relating to your intended or actual Trades. As an execution-only client, you will not be provided with investment advice although we may provide you with factual market information. **You agree and acknowledge that you will rely solely upon your own judgment in all aspects of your Trading with us and that all Trades are made at your own risk.** This means that you will have no claim against us.
- 7.8 **You agree that despite any information which may be provided to you, your Trading decisions are yours and yours only and that you warrant that you will not seek recourse against us on any basis in connection with any information given or, in your view, not given.** This means that you may not institute a claim against us because of information given or not given to you by us.
- 7.9 You will be able to monitor the status of your Account through the EasyEquities Platform or by contacting one of our traders on one of our trading lines.
- 7.10 All queries in relation to your Account should be reported to us by submitting a ticket via our [support portal](#) accessible via our Website.

8. ACCOUNT TYPES

All Accounts are “cash” accounts. This means that all Trades must be paid for with money which has cleared and is standing to the credit of your Account as Free Money. You may pay money into your Account for all purposes contemplated in this Agreement by using any of the payment options set out in clause 29.1 below. Despite any provision, statement or communications published on the Website or set out in this Agreement, we do not extend any credit to you in terms of this Agreement, and nothing in this Agreement will be construed as creating a loan agreement or as the granting of credit by us to you. The provisions of the National Credit Act, 2005, do not apply to any Trades carried out on the EasyEquities Platform.

9. TELEPHONE TRADING

- 9.1 If the EasyEquities Platform is not accessible due to the Website being unavailable, you may ask to Trade or otherwise give Trading instructions by telephone on one of our designated Trading lines (“**Telephone Trading Instructions**”) provided that you answer all of the security questions we may ask you to our satisfaction. One of our traders will provide you with a Quoted Price, which is not an offer to enter into a contract. If you indicate that you wish to Trade at the Quoted Price during the telephone call you will be deemed to be making an offer to Trade at the Execution Price not the Quoted Price. Our trader will be entitled to confirm or reject that offer.
- 9.2 No additional cost will be levied against telephone Trading carried out during times when the Website is not available. If you wish to make use of telephone Trading when the EasyEquities Platform is accessible and the Website is available, you will be subject to an additional Telephone Trading Instruction fee, as set out in the Cost Profile.
- 9.3 Telephone Trading Instructions must be given in person to one of our authorised traders and cannot be given by leaving a message on our voicemail facilities or by email.
- 9.4 Telephone Trading Instructions to place a Trade will only be executed during the trading hours of the Recognised Exchange.

9.5 In order to give a Telephone Trading Instruction, you must give us the following information:

- (1) your Account Details so that we can identify you;
- (2) a description of the Securities that you wish to Trade;
- (3) the price at which you wish to Trade and whether you wish to “buy” or “sell”;
- (4) the GBP amount or number of the Securities that you wish to Trade; and
- (5) any other information we may request.

9.6 All calls may be recorded by us (these recordings will belong to us) and may be used by us for any purpose including, but not limited to, to confirm the details of your Telephone Trading Instructions and, where applicable, for security, regulatory, contractual and other legal requirements. **Such records will be our sole property and you accept that they will constitute evidence of the communications between us.**

9.7 You acknowledge that our staff work in a busy environment speaking to many customers every day. Failure on their part to recognise your voice or the fact that Trades are placed on your Account by a person who does not speak with your voice will not constitute negligence on the part of FWT. It is for this reason that you must provide your Account Details as are requested by us at the time of requesting a quote over the telephone. Your Account Details are the only reliable way in which we can verify that the instructions come from you.

9.8 It is your sole responsibility to monitor potential profit or loss from time to time in connection with a Trade. Our traders can be under extreme pressure, particularly in periods of high market volatility and information they may provide to you concerning profit and loss in connection with a specific Trade(s) is strictly for purposes of your information only. You may not rely on any profit or loss calculation information given by our traders when determining whether to instruct us to Trade and you should instead only rely on your own monitoring and assessment of your position. **You acknowledge that you have full responsibility for any profit or loss made in connection with any instruction to Trade and you will have no claim against us.**

9.9 We do not have any obligation to (i) to enter into any particular transaction or (ii) to accept and act in accordance with any Order. **We are not liable to you for any loss arising out of, or related to the fact that we did not accept your Order or act on your Trading instructions. We will notify you as soon as is commercially practicable if we cannot accept your Order or act on your Trading instructions and we will tell you why.**

9.10 No Trade will be legally effective unless and until we provide you with a Contract Note setting out the details of your Trade as set out in clause 22 below.

10. PURCHASES AND SALES

10.1 The EasyEquities Platform allows you to place an Order to “buy” that may be specified in either GBP amounts or a specified number of Whole Securities. If the GBP amount of your Order is sufficient to pay for one or more Whole Securities, you will be allowed to buy one or more Whole Securities.

10.2 Buy Orders specified in GBP amounts may result in a balance of funds remaining, after funds have been allocated toward the purchase of Whole Securities.

10.3 For example, you place an Order for GBP1 200 worth of Securities issued by Issuer X (“X Securities”). At the time of your Order, X Securities are trading at GBP500 per Security. Therefore, the GBP amount of your Order allows you to buy two X Securities and leaves you with a remaining balance of GBP200. GBP200 is not enough money to purchase an X Security (as the price is GBP500 per Security). If this happens and, where you do not have enough money to purchase a Whole Security, you will be allowed to enter into a CFD Transaction with us, referencing X Security as the Underlying Reference Instrument in terms of clause 11 below. In this example, the balance available for a CFD Transaction will be:

Order Amount – (No. of Whole Securities x Execution Price of X Security) = Balance for CFD Transaction.

GBP1 200 – (2 x GBP500) = GBP200.

This example excludes all costs and charges associated with your Order and you would therefore be liable to pay for these costs over and above the GBP amount of your Order.

- 10.4 The EasyEquities Platform also allows you to sell any Whole Securities which you own, although no short selling is permitted (short selling is where you sell a security which you do not own, and this is not allowed on the EasyEquities Platform). You may also close out (i.e. terminate) any of your CFD Transactions in accordance with clause 12.7(7). All profits or income from the sale of Whole Securities or the close out of CFD Transactions will be paid by FWT into your Account but will not be able to be withdrawn, you may only withdraw the cash upon settlement of the Trade i.e. up to 5 (five) Business Days after the date of the Trade subject to clause 10.8. **You acknowledge that you may not withdraw the proceeds from the sale of Whole Securities or the close out of CFD Transactions immediately when sale or closeout happens.** We may allow you to use the “early settlement” function on the EasyEquities Platform, which means that we will settle your unsettled profits or income from the sale of your Whole Securities or the close out of the CFD Transactions at our own risk against the payment of the early settlement fee as set out in the Cost Profile.
- 10.5 Trades on the EasyEquities Platform may not be “real time” market Orders i.e. Orders that are matched immediately when you enter your Order. Quoted Prices and Execution Prices will be obtained and given in terms of clause 13.
- 10.6 All Trades in Whole Securities must be cleared and settled according to the rules of the CSD and the Recognised Exchange on which the Whole Securities are traded. We may cancel any of your Trades in Whole Securities if the Recognised Exchange or the CSD:
- (1) refuses, fails or is unable to confirm, execute, clear and/or settle the Trade for any reason; or
 - (2) regards the Trade as a failed trade under the rules of the CSD and/or the Recognised Exchange; or (without limiting the generality of the foregoing); or
 - (3) cancels or rejects the Trade (including the delivery or receipt of any cash or Securities) for any reason whatsoever.
- 10.7 **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any cancellation of your Trade in terms of clause 10.6.**
- 10.8 Despite any other clause in this Agreement, all Whole Securities which are successfully cleared and settled by the UK Broker, the CSD and the Recognised Exchange will be delivered to you (i.e. allocated to your Account) within 5 (five) Business Days of the date of your Trade. **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any such delay in the delivery of the Whole Securities into your Account.** Despite any such delay, your Trade will be priced at the Execution Price as contemplated in clause 13.

11. TYPES OF ORDERS

- 11.1 The EasyEquities Platform may allow you to place different types of Orders when buying or selling Issuer Securities. The following types of Orders may be available on the EasyEquities Platform from time to time:
- (1) **Market Order:** A Market Order is an Order to buy or sell an Issuer Security during the market hours of the relevant Recognised Exchange at the prevailing market price on the relevant Recognised Exchange for that Issuer Security at the time we execute your Trade as reflected in the Contract Note (i.e. the Execution Price). A Market Order may not be a “real time” Market Order i.e. an Order that is matched immediately when you enter your Order. Quoted Prices and Execution Prices will be obtained and given in terms of clause 11. A Market Order is the default Order setting on the EasyEquities Platform.
 - (2) **Buy Instruction:** A Buy Instruction is an Order to buy an Issuer Security that is placed outside of the market hours of the relevant Recognised Exchange or during an intra-day auction. If your Buy Instruction is duly accepted by us, we will raise your Order on the EasyEquities Platform and your Order will become a Pending Transaction. Upon the EasyEquities Platform re-opening for Trading, your Buy Instruction will be treated as a Market Order and executed as per clause 11 above.
 - (3) **Sell Instruction:** A Sell Instruction is an Order to sell an Issuer Security that is placed outside of the market hours of the relevant Recognised Exchange or during an intra-day auction. If your Sell Instruction is duly accepted by us, we will raise your Order on the EasyEquities Platform and your Order will become a Pending Transaction. Upon the EasyEquities Platform re-opening for Trading, your Sell Instruction will be treated as a Market Order and executed as per clause 11 above.

- (4) **Basic Buy Limit Order:** A Basic Buy Limit Order is an Order to buy an Issuer Security in future when the prevailing “Ask” price (buying at price) of that Issuer Security on the relevant Recognised Exchange is equal to or less than the “Ask” price (buying at price) which is displayed to you on the EasyEquities Platform at the time of placing your Basic Buy Limit Order. If your Basic Buy Limit Order is duly accepted by us, we will raise your Basic Buy Limit Order on the EasyEquities Platform and your Basic Buy Limit Order will become a Pending Transaction. Basic Buy Limit Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (5) **Basic Sell Limit Order:** A Basic Sell Limit Order is an Order to sell an Issuer Security in future when the prevailing “Bid” price (selling at price) of that Issuer Security on the relevant Recognised Exchange is equal to or greater than the “Bid” price (selling at price) which is displayed to you on the EasyEquities Platform at the time of placing your Basic Sell Limit Order. If your Basic Sell Limit Order is duly accepted by us, we will raise your Basic Sell Limit Order on the EasyEquities Platform and your Basic Sell Limit Order will become a Pending Transaction. Basic Sell Limit Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (6) **Advanced Buy Limit Order:** An Advanced Limit Order is an Order to buy an Issuer Security in future when the prevailing “Ask” price (buying at price) of that Issuer Security on the relevant Recognised Exchange is equal to or less than the price specified by you in the Advanced Buy Limit Order. If your Advanced Buy Limit Order is duly accepted by us, we will raise your Advanced Buy Limit Order on the EasyEquities Platform and your Advanced Buy Limit Order will become a Pending Transaction. Advanced Buy Limit Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (7) **Advanced Sell Limit Order:** An Advanced Sell Limit Order is an Order to sell an Issuer Security in future when the prevailing “Bid” price (selling at price) of that Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Advanced Sell Limit Order. If your Advanced Sell Limit Order is duly accepted by us, we will raise your Advanced Sell Limit Order on the EasyEquities Platform and your Advanced Sell Limit Order will become a Pending Transaction. Advanced Sell Limit Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (8) **Break Order:** A Break Order is an Order to buy an Issuer Security in future when the prevailing “Ask” price (buying at price) of that Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Break Order. If your Break Order is duly accepted by us, we will raise your Break Order on the EasyEquities Platform and your Break Order will become a Pending Transaction. Break Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (9) **Stop Loss Order:** A Stop Loss Order is an Order to sell an Issuer Security in future when the prevailing “Bid” price (selling at price) of that Issuer Security on the relevant Recognised Exchange is equal to or less than the price specified by you in the Stop Loss Order. If your Stop Loss Order is duly accepted by us, we will raise your Stop Loss Order on the EasyEquities Platform and your Stop Loss Order will become a Pending Transaction. Stop Loss Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.
- (10) **Take Profit Order:** A Take Profit Order is an Order to sell an Issuer Security in future when the prevailing “Bid” price (selling at price) of that Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Take Profit Order. If your Take Profit Order is duly accepted by us, we will raise your Take Profit Order on the EasyEquities Platform and your Take Profit Order will become a Pending Transaction. Take Profit Orders will only be available on pre-selected Issuer Securities as determined by us from time to time.

11.2 The placing of Advanced Buy Limit Orders, Advanced Sell Limit Orders, Break Orders, Stop Loss Orders and Take Profit Orders on the EasyEquities Platform may be subject to certain limits in terms of the number of Orders placed or the number of Issuer Securities per Order as determined by us from time to time. **We reserve the right to immediately cancel or disallow any Order/s that exceed these limits without liability.**

11.3 **Execution of Market Orders:**

Market Orders will be executed in accordance with the provisions of clause 11 and clause 13.

11.4 **Execution of Buy Instructions and Sell Instructions:**

Buy Instructions and Sell Instructions that become Pending Transactions will be executed as Market Orders when the Recognised Exchange next opens for trading or once the intra-day auction has ended, the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.5 Execution of Basic Buy Limit Orders

Basic Buy Limit Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Ask” price of the Issuer Security on the relevant Recognised Exchange is equal to or less than the “Ask” price which is displayed to you on the EasyEquities Platform at the time of placing your Basic Buy Limit Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.6 Execution of Basic Sell Limit Orders

Basic Sell Limit Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Bid” price of the Issuer Security on the relevant Recognised Exchange is equal to or greater than the “Bid” price which is displayed to you on the EasyEquities Platform at the time of placing your Basic Buy Limit Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.7 Execution of Advanced Buy Limit Orders

Advanced Buy Limit Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Ask” price of the Issuer Security on the relevant Recognised Exchange is equal to or less than the price specified by you in the Advanced Buy Limit Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.8 Execution of Advanced Sell Limit Orders

Advanced Sell Limit Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Bid” price of the Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Advanced Sell Limit Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.9 Execution of Break Orders

Break Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Ask” price of the Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Break Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.10 Execution of Stop Loss Orders

Stop Loss Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Bid” price of the Issuer Security on the relevant Recognised Exchange is equal to or less than the price specified by you in the Stop Loss Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.11 Execution of Take Profit Orders

Trade Profit Orders that become Pending Transactions will be executed during market hours of the relevant Recognised Exchange when the prevailing “Bid” price of the Issuer Security on the relevant Recognised Exchange is equal to or greater than the price specified by you in the Take Profit Order, provided the Issuer Security is open for Trading on the EasyEquities Platform and is subject to the place of that Pending Transaction in the Execution Queue.

11.12 Any Order that becomes a Pending Transaction is subject to the following terms and conditions:

- (1) You acknowledge that your Pending Transactions may be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely. Your Pending Transactions and the Pending Transactions of our other clients will be executed according to their place in the Execution Queue, on an individual basis (i.e. one by one) and not on an aggregate or bulk basis and subject to the further provisions of clause 19.5 which apply mutatis mutandis.

- (2) You agree that despite any Quoted Price, your Pending Transactions Instructions will be executed at the Execution Price, i.e. at the prevailing market price offered on the relevant Recognised Exchange at the time we execute your Pending Transaction and as reflected in the Contract Note which time will depend on your Pending Transaction's place in the Execution Queue and, where applicable, the conditions specified in the specific Order.
- (3) You may cancel a Pending Instruction at any time, provided your Pending Instruction is still in a pending state and has not been executed.

11.13 We will charge you an Advanced Order Fee for Advanced Buy Limit Orders, Advanced Sell Limit Orders, Break Orders, Stop Loss Orders and Take Profit Orders. The Advanced Order Fee will be charged in addition to any other fees and costs listed in the Cost Profile. The Advanced Order Fee will be disclosed to you on the EasyEquities Platform when you place the relevant Order. The Advanced Order Fee is paid to us and will be confirmed in the relevant Contract Note. Advanced Order Fees are not charged on Market Orders, Buy Instructions, Sell Instructions, Basic Buy Limit Orders and Basic Sell Limit Orders.

11.14 The provisions of clause 13 apply *mutatis mutandis* to the execution of Orders specified in this clause 11.

12. TREATMENT OF FRACTIONAL SECURITY RIGHTS

12.1 If you place an Order for an Issuer's Securities (which Order is denominated in a certain GBP amount), and that GBP amount is not enough to buy one or more Whole Securities, you may only have enough money to acquire a Fractional Security Right in respect of an Issuer Security. In order to give effect to your Order, FWT will enter into a CFD Transaction with you in terms of which the Underlying Reference Instrument will be a percentage of the Whole Security specified in your Order. In respect of Fractional Security Rights, we act as principal to the CFD Transaction.

12.2 The Underlying Reference Instrument of your CFD Transaction will be calculated in proportion to the corresponding percentage of the Execution Price paid by you after the purchase of one or more Whole Securities.

12.3 For example, where the Execution Price of a Whole Security is GBP500, and you pay us GBP200 in terms of your Order, you will enter into a CFD Transaction with us in terms of which the Underlying Reference Instrument will be:

$$(\text{GBP Amount} / \text{Execution Price}) \times 100 = \% \text{ of Whole Security.}$$

In this example, the Underlying Reference Instrument will be:

$$(\text{GBP}200 / \text{GBP}500) \times 100 = 40\% \text{ of Whole Security.}$$

12.4 This will give you exposure to the economic benefits of a 40% interest in a Whole Security. As with all CFD contracts, you will not own the Underlying Reference Instrument. You will have a contractual claim against us (FWT) under the CFD Transaction. This example excludes all costs and charges associated with your Order and you would therefore be liable to pay for these costs and above the GBP amount of your Order.

12.5 Fractional Security Rights do not mean that you own a fraction of a Security. The term Fractional Security Rights (as explained above) is used to explain the scenario where you obtain exposure to the economic benefit of share ownership (profit or loss on price movements in respect of Securities in terms of this Agreement) in circumstances where you do not have enough money to buy Whole Securities.

12.6 **Your claims in respect of Fractional Security Rights are therefore limited to a contractual claim against us for payment of the relevant close out amount (profit or loss) in accordance with clause 12.7(4) under the CFD Transaction. As you are not the owner of the Underlying Reference Instrument, they can never be delivered to you or transferred to another person or nominee.**

12.7 The terms and conditions below apply specifically to all CFD Transactions entered into in terms of this Agreement:

(1) Initial Margin

- (a) "Initial Margin" is the amount of money in cash that you will normally be required to have on deposit in your Account in order to open or enter into a CFD Transaction. Initial Margin exists in order to assist us and you to control the level of Trading on your Account. A 100% Initial Margin is required for CFD Transactions issued in respect of Fractional Security Rights. For example, if the price of a Security is GBP100, we would require an Initial Margin of GBP100 from you. Please note that paying Initial Margin and margin in general, does not in any way limit the losses you may incur in connection with your Account.

- (b) You will be informed of the amount of money you will be required to deposit as Initial Margin prior to placing a Trade.

(2) **Margin and Margin Calls**

Margin refers to the minimum additional cash which you must deposit into your Account in order to support your CFD Transactions. “**Margin Calls**” are made when the money in your Account is not enough to support your CFD Transactions and your Account is therefore in deficit. Your Account will be in deficit if the total of the Initial Margin due on your CFD Transactions plus the losses on those CFD Transactions exceeds the cash held in your Account. As CFD Transactions are subject to a 100% Initial Margin, they will not be subject to a Margin Call.

- (3) “**Variation Margin**” refers to the amount for which you become liable due to changes in the value of the Underlying Reference Instrument of your CFD Transaction.

(4) **Profit and loss**

- (a) When the price of the Underlying Reference Instrument increases:
 - (b) You will not be required to physically pay any amounts in relation to Variation Margin. We will (in addition to any general lien, right of set-off, right to combine accounts or any other right to which we may be entitled), without notice to you, set-off any obligation of yours to make payment to us in respect of Variation Margin, against our liability to you in respect of profit earned under the CFD Transaction (or any part of it in an amount as we choose). For example, if the price of the Underlying Reference Instrument was GBP100 when the CFD was originally entered into and it was subject to a GBP100 Initial Margin, and it then increases in value to GBP110:
 - (c) A Variation Margin of GBP10 is required from you in order to ensure that the total margin amounts to GBP110 (i.e. a 100% Initial Margin); and
 - (d) We would be required to pay you a GBP10 profit under the CFD Transaction.
 - (e) Instead of making these two separate payments, we will retain the GBP10 profit we owe you and set it off against the GBP10 you owe us for Variation Margin. The Variation Margin requirement is therefore settled and no physical payment of Variation Margin is required. We do not physically pay you the GBP10 profit.
 - (f) Where the price of the Underlying Reference Instrument decreases for example from GBP100 to GBP90:
 - (g) We would be required to pay you your GBP10 in order to ensure that the total margin amounts to GBP90 (i.e. a 100% Initial Margin); and
 - (h) You would be required to pay us a GBP10 loss under the CFD Transaction.
 - (i) Instead of making these two separate payments, we will retain the GBP10 we owe you for Variation Margin and set it off against the GBP10 loss you owe us under the CFD Transaction. The Variation Margin requirement is therefore settled and no physical payment of Variation Margin is required. You do not need to physically pay us back the GBP10 loss.

- (5) You will only be entitled to your profit or loss under the CFD Transaction, when the CFD Transaction is closed-out (i.e. terminated) as your profits are kept by us to ensure your Initial Margin is maintained at 100% at all times.

- (6) You will be responsible for any payments of fees listed in your Cost Profile.

(7) **Closing Trades**

- (a) You can close your position in respect of a Trade:

- (i) on the EasyEquities Platform by either:
 - (A) selecting the “My Account” drop down and selecting the “Sell” tab. Selecting the Issuer Security, you wish to sell, clicking “sell” and entering the “confirm your sale” screen; or
 - (B) selecting the “My Account” drop down and selecting the “Overview” tab and clicking on the gear icon in the top right hand corner of the Issuer Security displayed, selecting “sell” from the drop down box, and entering the “confirm your sale” screen.
- (ii) by contacting us by telephone on one of our designated trading lines. In order to give a Telephone Trading Instruction to close a Trade you must provide us with the following information:
 - (A) your Account Details so that we can identify you;
 - (B) a description of the Trade that you wish to close; and
- (b) We have the right to close any or all of your open Trades if an Event of Default happens (irrespective of whether you opened the Trade on the EasyEquities Platform, or by giving us Telephone Trading Instructions.
- (c) We cannot close a Trade unless any one of the following three actions occurs:
 - (i) our systems reflect the Trade (or a portion of the Trade) being closed; or
 - (ii) you receive a closing Contract Note from us.
- (d) It is your responsibility to confirm immediately that your Contract Note reflects the closed Trade, or get confirmation from an FWT trader that our system shows the Trade as closed and under what terms. Any amounts payable by either party to a CFD Transaction will be paid on the day on which the CFD Transaction is executed or as determined by the Recognised Exchange.

13. QUOTATIONS AND EXECUTION PRICE

- 13.1 We will display the price of the Securities on the Website or the EasyEquities Platform. These prices may reflect delayed prices, may be the Recognised Exchange price which was quoted by the Recognised Exchange on the previous trading day or may be a Live Price Update as requested by you (see clause 14) (“**Quoted Price**”).
- 13.2 Despite the Quoted Price, your Trades in Securities will be executed at the prevailing market price on the relevant Recognised Exchange for that Security at the time we execute your Trade as reflected in the Contract Note (“**Execution Price**”). The Execution Price may be different to the Quoted Price, depending on how the Security’s market price has moved during the course of the market day (or in the time taken between obtaining the Quoted Price and executing the Trade). We do not give any guarantee that the Execution Price will be at or near the Quoted Price.
- 13.3 Execution Pricing on the EasyEquities Platform will be done on a best execution basis i.e. we will take all reasonable steps to get the best available price for you, in accordance with your Trade Order. **You agree that FWT will have no obligation to execute any Trade at the Quoted Price and will have no obligation of best execution in dealing with or for you and you waive any requirement in any applicable rules of Recognised Exchanges to provide best execution.**

- 13.4 Sometimes we may give you information on the value of your Securities based on the Security price at the closing time of the Recognised Exchange on the latest market day. Such information is for your information only and does not reflect the price you may get if you buy or sell your Securities. Where you place an Order to buy or sell any Whole Securities, we will execute these Trades at the Execution Price prevailing at the time of execution.
- 13.5 **You acknowledge that the Quoted Prices, and information provided based on quotes, which we obtain, are obtained from sources that FWT believes to be reliable but that FWT does not guarantee the accuracy and completeness of those quotes or information. In addition, you represent that you will use the Quoted Prices and information solely for your own personal use related to your FWT Account or Trading activity and not for professional use. You waive any claim that you might have against FWT or the quote provider related to the Quoted Prices or the quote-based information on the EasyEquities Platform.**
- 13.6 **Issuer Information**
For your convenience and easy reference, we may from time to time display links on our Website to the webpages of third party data providers who provide objective data and factual information about certain Issuers. FWT does not guarantee the accuracy and completeness of information on third party web pages. In addition, you acknowledge that FWT will not be liable for any losses you may suffer as a result of Issuer information provided by third party data providers and your reliance thereon, and you will hold FWT harmless in this regard.
- 14. EASYCREDITS AND LIVE PRICES**
- 14.1 We may allow you to purchase EasyCredits on the EasyEquities Platform which EasyCredits can be used to, among other things, purchase a live Security price update (“**Live Price Update**”).
- 14.2 A Live Price Update may only be requested during the market hours of the Recognised Exchange.
- 14.3 Each time you request a Live Price Update, the number of the EasyCredits which you have allocated to your Account will be reduced by each request.
- 14.4 EasyCredits are not redeemable for cash and are non-transferable. Live Price Updates may not be requested for Bundles and Baskets.
- 14.5 Please note that despite requesting a Live Price Update, as set out in clause 10.5, Trades on the EasyEquities Platform may not be “real time” market Orders i.e. Orders that are matched immediately when you enter your Order. Quoted Prices and Execution Prices will be obtained and given in terms of clause 13.
- 14.6 You acknowledge that the Live Price Updates which we obtain, are obtained from sources that FWT believes to be reliable but that FWT does not guarantee the accuracy and completeness of those Live Price Updates. In addition, you represent that you will use the Live Price Updates solely for your own personal use related to your Account or Trading activity and not for professional use. You waive any claim that you might have against FWT or the price provider relating to Live Price Updates on the EasyEquities Platform.
- 15. DONATIONS TO A DESIGNATED CHARITY**
- 15.1 For the purposes of this clause 15, any reference to Issuer Securities shall include a reference to Baskets and/or Bundles of Issuer Securities as the context requires.
- 15.2 The EasyEquities Platform may, in our sole discretion, allow you to make a donation of a designated amount to a Designated Charity when you place a buy Order for an Issuer Security (“**Donation**”). EasyEquities will pay your Donation/s to the Designated Charity by the 15th of the following month for the month in which you made a Donation/s. Where applicable, at the end of the tax year, you will be entitled to receive the relevant tax certificate, in respect of your Donation/s, from the Designated Charity. However, we may provide you with your certificate via the EasyEquities Platform but we are not obliged to do so.
- 15.3 EasyEquities does not handle any tax requirements in this regard and accordingly, will not be held responsible. We are not able to provide you with any tax advice pertaining to any of the above. We would recommend that you obtain specific tax advice from your tax advisor or from a tax authority. We will also not be responsible for notifying you of a change in tax law or practice and you should seek professional advice as to your personal tax situation.

16. RECURRING INVESTMENTS

16.1 For purposes of this clause 16 any reference to Issuer Securities shall include a reference to Baskets and/or Bundles of Issuer Securities, as the context requires.

16.2 We may give you the option, in our discretion, to set up a Recurring Investment, i.e. a recurring buy Order placed via the EasyEquities Platform in terms of which you buy a pre-determined GBP value of specified Issuer Securities at multiple future dates and at a frequency and on a day permitted by us, including without limitation, monthly, quarterly or annually. For example, you may place a Recurring Investment Order to “buy GBP1000 worth of Issuer A Securities every month”.

16.3 You will be liable to pay for your Recurring Investments by means of a debit against the positive balance of the Free Money in your Account. You must ensure that you have enough Free Money in your Account to pay for your Recurring Investments on the scheduled payment date.

16.4 In order to place a Recurring Investment Order, you must:

- (1) select and/or customise the GBP value of your Recurring Investment Amount;
- (2) select and/or customise the percentage Annual Recurring Investment Increase which will apply to your Recurring Investment Amount;
- (3) select the first payment date, which date must be at least 3 (three) Business Days after the date on which you placed your Order for a Recurring Investment on the EasyEquities Platform.
- (4) select the frequency of your Recurring Investment; and
- (5) select the Issuer Securities or Basket or Bundle of Issuer Securities which you will purchase in terms of the Recurring Investment.

16.5 Where you have placed a Recurring Investment Order in respect of a Basket or a Bundle, you may elect to exclude certain Issuer Securities from that Basket or block certain securities in a Bundle, either indefinitely, or for a time period stipulated by you on the Settings Page in terms of clause 17.3 and 18.4 below.

16.6 Execution of Recurring Investments

- (1) The provisions of clause 13 above with regards to Quotation Prices and Execution Prices will apply to all Recurring Investments concluded in terms of this clause 16.
- (2) If your Recurring Investment Order is duly accepted by us, we will raise your Order on the EasyEquities Platform and your Order will become a Pending Transaction. Your Pending Transactions and the Pending Transactions of our other clients will be executed according to their place in the Execution Queue, on an individual basis (i.e. one by one) and not on an aggregate or bulk basis and subject to the further provisions of clause 16.7.
- (3) Where your Recurring Investment is scheduled to take place on a day or at a time which falls outside of the trading hours of the Recognised Exchange, then that Recurring Investment will be raised on the EasyEquities Platform as a Pending Transaction and will be executed when the Recognised Exchange next opens for trading, subject to the place of that Pending Transaction in the Execution Queue. **You acknowledge that your Pending Transactions may therefore be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely.**
- (4) **You agree that despite any Quoted Price, your Recurring Investments will be executed at the Execution Price, i.e. at the prevailing market price offered on the relevant Recognised Exchange at the time we execute your Pending Transaction and as reflected in the Contract Note which time will depend on your Pending Transaction's place in the Execution Queue.**

16.7 Illiquid Stocks

Orders for Recurring Investments in Illiquid Stocks as defined in clause 16, will not be accepted or executed by us. In these circumstances, you agree that we may treat your Orders as Pending Transactions and we may execute your Recurring Investment Orders for Illiquid Stocks only on the earliest following Business Day on which those Illiquid Stocks become

available for Trading again, i.e. when market liquidity in that Illiquid Stock allows for your Recurring Investment Orders to be accepted and executed. When the Illiquid Stocks become available for Trading again, we will accept and execute your Pending Transactions and the Pending Transactions of our other clients according to the place of such Pending Transactions in the Execution Queue. **You acknowledge that your Pending Transactions for Illiquid Stocks may therefore be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely.**

16.8 Trading Limits

- (1) You acknowledge that your Recurring Investments may be subject to trading limits in terms of clause 15 below and that your trading limits in respect of Recurring Investments may differ from the trading limits imposed on you in respect of your other Trading activities which do not constitute Recurring Investments.
- (2) We may, from time to time, in our sole discretion -
 - (a) amend your general trading limits;
 - (b) amend your trading limits for any particular Recurring Investment; or
 - (c) require that you amend the GBP value or frequency of any Recurring Investment,to comply with the applicable trading limits, we impose on you in terms of this Agreement.
- (3) Where a Recurring Investment would breach the particular trading limits assigned to you, we will not execute that Recurring Investment, and the Recurring Investment, including those portions of the Recurring Investment which did not exceed any trading limit, will fail.

16.9 Fees

We will charge you a Recurring Investment Fee. The Recurring Investment Fee will be charged in addition to any other fees and costs listed in the Cost Profile. The Recurring Investment Fee will be disclosed to you on the EasyEquities Platform when you place a Recurring Investment Order. The Recurring Investment Fee is paid to ourselves and will be confirmed in the relevant Contract Note.

16.10 Termination

If you have a Recurring Investment in place in terms of this clause 14, and if you wish to cancel your Recurring Investment, you may do so by giving us notice via the EasyEquities Platform at least 3 (three) Business Days prior to the date of your next scheduled Recurring Investment.

17. BASKETS

- 17.1 We may give you the option, in our discretion, to place a buy Order for a certain Basket. Instead of placing separate buy Orders for different Issuer Securities, you may place a single buy Order for a particular Basket and your Order will automatically be filled with all of the Issuer Securities listed in that Basket, up to the GBP amount specified in your Order.
- 17.2 Each Basket offered on the EasyEquities Platform lists a number of different Issuer Securities which represent the Issuer Securities preferred by the applicable Basket Selector. Each Basket will contain the list of Issuer Securities preferred by the Basket Selector at a specific moment in time. When Trading in a particular Basket you will automatically purchase all of the Issuer Securities listed in that Basket. Should you wish to sell the Issuer Securities acquired through your purchase of a Basket, you will have to individually sell each Issuer Security in separate Trades.
- 17.3 You will not be able to add any Issuer Securities to the Basket which are not already on the list selected for that Basket. You will be permitted to remove certain Issuer Securities from the list selected for that Basket either by manually de-selecting those Issuer Securities on an ad hoc basis or by blocking those Issuer Securities on the Settings Page. Where you have blocked the Issuer Securities on your Settings Page, those Issuer Securities will automatically be excluded from your Baskets and any future Recurring Investments. Where you have manually removed certain Issuer Securities from the list selected for that Basket on an ad hoc basis, you may do so either permanently or for a specified period of time.
- 17.4 We will charge you a Basket Administration Fee. The Basket Administration Fee will be charged in addition to the other fees and costs listed in the Cost Profile. The Basket Administration Fee will be disclosed to you on the EasyEquities Platform when

you place an Order to buy a Basket. The Basket Administration Fee is paid to ourselves and to the Basket Selector in accordance with an agreed ratio (which would usually be a 50:50 ratio). The Basket Administration Fee will be confirmed in the relevant Contract Note evidencing the Trades.

- 17.5 The fact that the particular Issuer Security is listed in a Basket does not mean that FWT or the Basket Selector is making any recommendation in relation to those Issuer Securities and/or the Basket, or that the purchase of those Issuer Securities and/or the Basket is an appropriate investment for you. **The Baskets and the Issuer Securities listed therein are not chosen based on current or perceived future value and neither FWT nor the Basket Selector give any express or implied warranty as to the future performance of the Basket and/or the Issuer Securities listed therein.** As with all securities, the Issuer Securities listed in the Basket and the Basket itself may gain or lose value from time to time and there is always the risk that the Issuer Securities in the Basket could lose all of their value.
- 17.6 **You acknowledge that all investment decisions are made solely by you.** In addition, any information relating to a particular Basket, Basket Selector or the Issuer Securities listed in that Basket, whether provided by us, an Issuer or by a Basket Selector, will not constitute a recommendation regarding any particular security, transaction, or investment. **This means that you make your own choices about investment decisions and even if you rely on information provided on the EasyEquities Platform, we will not be responsible for any losses you suffer because of investments made in the Basket and/or the Issuer Securities listed in the relevant Basket.**
- 17.7 As with all Issuer Securities offered via the EasyEquities Platform, your Trades (including without limitation, Trades in respect of Baskets) occur on an execution-only basis. **This means that we carry out the Trading instructions (Orders) that you give us and that we owe you no duty in respect of the suitability of your Trades or Orders placed with us or to provide any information relating to your intended or actual Trades.** As an execution-only client you will not be provided with any investment advice, although we may provide you with factual market information from time to time. **You agree and acknowledge that you will rely solely upon your own judgment in all aspects of your trading with us and that all Trades are made at your own risk. You warrant and represent that you will not seek recourse against FWT or any Basket Selector for any claim arising from a change (including a negative depreciation) in the market value of the Issuer Securities listed in any Basket which you may have purchased.**
- 17.8 **You acknowledge and understand that a Basket Selector may not necessarily be a licensed FSP under FAIS. You acknowledge and understand that, by identifying his or her preferred Issuer Securities in a particular Basket list, a Basket Selector does not provide any financial advice or intermediary services as contemplated in FAIS.**
- 17.9 A Basket Selector may amend his or her list of preferred Issuer Securities by updating the list of Issuer Securities for any Basket. Should a Basket Selector change the list of Issuer Securities for a particular Basket, FWT will give you notice of such change. Any Baskets previously purchased by you will not be updated according to the new list, but you may of your own volition place an Order to buy the new Basket separately. Any such Trade in a new Basket list must be executed by yourself via the EasyEquities Platform.
- 17.10 Purchasing a Basket means that you purchase the individual Issuer Securities in that Basket and does not result in the issue of a participatory interest in a collective scheme under the Collective Investment Schemes Control Act, 2002.
- 17.11 You will be issued with Whole Securities and Fractional Security Rights in the Issuer Securities listed in any particular Basket in accordance with the further provisions of these Terms and Conditions, including without limitation, clause 10 and 12 above i.e. in accordance with the GBP value of the Order which you place in respect of a particular Basket.

18. BUNDLES

- 18.1 We may give you the option, in our discretion, to place a buy Order for a certain managed Bundle in accordance with the terms and conditions set out in the applicable Bundle Mandate. Instead of placing separate buy Orders for different Issuer Securities, you may place a single buy Order for a particular managed Bundle and you will be issued with Whole Securities and Fractional Security Rights in the Issuer Securities listed in that particular Bundle in accordance with the GBP value of the Order which you place in respect of a particular Bundle.
- 18.2 This Agreement, as read with the applicable Bundle Mandate, will govern all aspects of your investments in Bundles. In the event of any conflict between the provisions of this Agreement and the provisions of the Bundle Mandate insofar as they relate to the management of Bundles, the provisions of the Bundle Mandate insofar as they relate to the management of Bundles, will prevail.
- 18.3 When you first place an Order for a particular type of Bundle, you must electronically accept and execute the Bundle Mandate applicable to that type of Bundle, either by sending us your signature electronically or by continuing to engage in Trading activities with us in terms of clause 49.7 of this Agreement.

- 18.4 You will not be able to add any Issuer Securities to the Bundle which are not already on the list selected for that Bundle or remove any Securities already included in the Bundle. You will be permitted to block certain Issuer Securities from your Account by de-selecting (i.e. blocking) those Issuer Securities on the Settings Page, either for a time period stipulated by you, or indefinitely. Where you have blocked a particular Issuer Security, that Issuer Security will automatically be excluded from any Bundles which you may invest in for a specified time period or indefinitely.
- 18.5 **The Bundles and the Issuer Securities listed therein are not chosen based on current or perceived future value and FWT does not give any express or implied warranty as to the future performance of the Bundle and/or the Issuer Securities listed therein.** As with all securities, the Issuer Securities listed in the Bundle and the Bundle itself may gain or lose value from time to time and there is always the risk that the Issuer Securities in the Bundle could lose all of their value.
- 18.6 **You acknowledge that all investment decisions are made solely by you.** In addition, any information relating to a particular Bundle or the Issuer Securities listed in that Bundle, whether provided by us, an Issuer or any third party will not constitute a recommendation regarding any particular security, transaction, or investment. **This means that you make your own choices about investment decisions and even if you rely on information provided on the EasyEquities Platform, we will not be responsible for any losses you suffer because of investments made in the Bundle and/or the Issuer Securities listed in the relevant Bundle.**
- 18.7 FWT will manage (with full discretion) the Issuer Securities and Weightings within each Bundle. However, in respect of the Orders you place on the EasyEquities Platform to Trade (i.e. invest in or sell a Bundle), we execute your Orders in accordance with your instructions. You will not be provided with any investment advice, although we may provide you with factual market information from time to time, including without limitation, in the relevant Fact Sheets. **You agree and acknowledge that you will rely solely upon your own judgment in all aspects of your Trading with us and that all Trades are made at your own risk. You warrant and represent that you will not seek recourse against FWT for any claim arising from a change (including a negative depreciation) in the market value of the Bundle or Issuer Securities listed in any Bundle which you may have purchased.**

19. TRADING LIMITS AND ILLIQUID STOCKS

- 19.1 The Issuer Securities available on the EasyEquities Platform may be subject to a prescribed maximum amount or value for purchases, as prescribed either by the Issuer or by FWT.
- 19.2 Because of this, FWT may from time to time limit the:
- (1) total value of Trades which you may execute;
 - (2) total value of Trades which you may execute in a given Security;
 - (3) total number of Trades which you may execute; and
 - (4) total number of Trades which you may execute in a given Security.
- 19.3 Where applicable, FWT will give you notice of the Trading limits which apply to you (and any changes to these limits) on the Website and/or the EasyEquities Platform.
- 19.4 You may not open multiple Accounts in order to circumvent any of your trading limits, maximum trade sizes or other restrictions imposed on you in terms of this Agreement.
- 19.5 Some of the Issuer Securities available on the EasyEquities Platform may not be available to buy or sell from time to time due to a lack of supply or demand for that particular Issuer Security (an “**Illiquid Stock**”). Where you have placed an Order for an Illiquid Stock and we are unable to sell or buy that Illiquid Stock for you on the Recognised Exchange, we will notify you of this fact. Your Order will be cancelled and you will have to pay for any costs, fees or charges which result from the cancellation of your Order. **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any cancellation of an Order for Illiquid Stocks.**

20. INSUFFICIENT FUNDS OR DENIAL OF CREDIT/DEBIT CARD PAYMENTS

- 20.1 In terms of clause 29.1 and this clause 20, SA Residents may not utilise a debit or credit card to fund their Account for any purpose under this Agreement.

- 20.2 If you try to pay money into your Account from your Designated Account in accordance with clause 29 and the payment is rejected by your bank, or reversed or cancelled or reclaimed by your bank, then we may cancel or honour any transaction which is effected by you.
- 20.3 We may also close your Account and/or not allow you to execute any more Trades. See clause 28 (Security Interest and set-off) regarding our ability to sell Securities in your Account to cover liabilities, which may arise if there is not enough money in your Account to cover your debts to us after the Securities have been sold by us with the income from the sale of those Securities.

21. USE OF CREDIT AND DEBIT CARDS

- 21.1 In terms of clause 29.2 and this clause 21, SA Residents may not utilise a debit or credit card to fund their Account for any purpose under this Agreement.
- 21.2 When you are obliged to pay FWT in respect of your Account or any Trading activities, we may accept payment by credit or debit card. If we agree to accept payment by credit card or debit card, payment will be processed online through the Website by entering your credit or debit card details for authorisation. Only money received net of any bank charges will be credited to your Account. Unless specified in the Cost Profile, you will be responsible for payment of the transaction fees, charged to FWT, arising from your use of a credit or debit card to make a payment.
- 21.3 **We cannot guarantee that the Website will always be available. In particular, we do not warrant continued availability or uninterrupted access to the Website. We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any delay or inability to effect an online credit or debit card payment caused by the Website being unavailable or inaccessible (whether temporarily or permanently).** Where you cannot make an online credit or debit card payment for any reason, you must satisfy your payment obligations to us using another acceptable means of payment (for example, electronic funds transfer or international wire transfer) as set out in clause 29.
- 21.4 Your personal information and credit card details will be kept secret. We have taken all reasonable steps and precautions to ensure that the credit card processing that is carried out online is safe and secure. However, we cannot be held responsible for security breaches occurring on your electronic device (personal computer or other electronic device used to browse the Website or make payments), which may result from a lack of adequate virus protection software or spyware that you may inadvertently have installed on your device.

22. CONTRACT NOTE AND STATEMENTS

- 22.1 You will receive a Contract Note in respect of Trades sent to your email address of record unless you request (and we agree in writing) that they be sent by another method. No Trade will be valid and binding against us until you receive a Contract Note.
- 22.2 Each Contract Note will contain the following information:
- (1) date and time of the transaction;
 - (2) identification number of the transaction;
 - (3) charges applicable to the transaction;
 - (4) Execution Price;
 - (5) amounts due to you, or from you, by FWT; and
 - (6) settlement date for the transaction.
- 22.3 You can check the position of your Account and the details of your current holdings and Free Money, balances, any realised profits or losses, open Trades and Trades that were closed at any time by logging into your Account via the EasyEquities Platform or by telephoning us.
- 22.4 **If you find a mistake or an error or if the details do not match your records relating to your Trade, you must notify us within 48 (forty eight) hours of the Contract Note being sent to you, by submitting a ticket via our support portal. If**

you do not notify us within this time period, the Trades recorded as having been accepted by us in the Contract Note will be deemed to be agreed by you. The provisions of clause 31 regarding Notices apply.

22.5 You can download your Account statements at any time via the EasyEquities Platform.

23. OWNERSHIP AND CUSTODY

23.1 When you buy Whole Securities, you become the beneficial (true) owner of all those Whole Securities, which Whole Securities will be held by FWT Nominees on your behalf. Subject to clause 10.8, FWT will make sure that you are reflected as the beneficial (true) owner of your Whole Securities in our books of account within 8 (eight) Business Days of the date of your Trade. FWT will:

- (1) open a sub-custodian account with the UK Broker and cause your Whole Securities to be registered in the name of FWT Nominees on behalf of its clients for the holding of your Whole Securities in safe custody by the FWT Nominees. The UK Broker will operate a separate cash and Securities account in the name of FWT Nominees and all of your Securities (and any cash related to or arising from your Trades in Securities) (together with the cash and Securities of our other Clients) will be held on a segregated omnibus basis in safe custody strictly in accordance with Applicable Law. The UK Broker will attend to the receipt and delivery of your Securities and the receipt and payment of funds owed to or by you strictly in accordance with Applicable Law; and
- (2) administer all Corporate Actions concerning any of the Whole Securities held in terms of this Agreement.

23.2 In addition to the custodial arrangements set out in clause 23.1 above, your cash may from time to time be held in safe custody by FWT Nominees in the FWT UK Bank Account on a segregated omnibus basis, together with the cash of our other clients strictly in accordance with Applicable Law.

23.3 FWT warrants that FWT Nominees is an approved nominee company, approved by the FSCA. If the FSCA withdraws or cancels FWT Nominees' approval or if there is any change to the approval status of FWT Nominees, FWT will immediately transfer the Whole Securities held by FWT Nominees to another nominee company that is approved by the FSCA.

23.4 All Whole Securities bought on the EasyEquities Platform are protected by law in the event of insolvency of FWT and/or the UK Broker, as all Whole Securities are segregated from the estate and assets of FWT and the UK Broker and held in safe custody by, and registered in the name of, FWT Nominees. You are noted as the beneficial (true) owner of such Whole Securities.

23.5 As the beneficial (true) owner of Whole Securities you will:

- (1) receive all income from the Issuer on Whole Securities held on your behalf;
- (2) participate in all Corporate Actions in respect of Whole Securities held on your behalf; and
- (3) exercise voting rights in respect of any Whole Securities held on your behalf.

23.6 In respect of the CFD Transactions with you, you will:

- (1) be entitled to payment of a cash equivalent of a pro rata percentage of the income that is received from an Issuer, based on the fraction of the Underlying Reference Instrument of the CFD Transaction;
- (2) have a contractual right, against FWT, to the profit or loss under the CFD Transaction, in accordance with clause 12.7(4) above;
- (3) not have any voting rights in relation to the Underlying Reference Instrument; and
- (4) not own the Underlying Reference Instrument.

23.7 If you, over time, enter into enough CFD Transactions with the same Underlying Reference Instrument so that you acquire rights to 100% of a Security, then the CFD Transactions will be closed out, and a Whole Security will be delivered to you. You will only then receive a Whole Security, and you will be noted as the beneficial (true) owner, and become entitled to those rights set out in clauses 23.1 and 23.5 above.

24. CORPORATE ACTIONS AND VOTING RIGHTS**24.1 Corporate Actions**

- (1) **For the Whole Securities registered in the name of, and held by, FWT Nominees, you agree that we will exercise your election in respect of all Corporate Actions and you hereby designate that your chosen elections for all Corporate Actions will be those elections as set out in this clause 24.**
- (2) If a Corporate Action is the type of Corporate Action where you have no choice as to how the Corporate Action will be effected (a "**non-elective event**") then we will give effect to the Corporate Action in the manner prescribed and as notified by the Issuer of the relevant Issuer Security.
- (3) If a Corporate Action is the type of Corporate Action where you have a choice as to how the Corporate Action will be effected, and must make your preferred election (an "**elective event**") then FWT will send you a notice, to the email address stipulated in the Application Form which you submitted via the EasyEquities Platform in terms of which you will be requested to make your election within a stipulated time period stated in the notice which time period will be no later than 12 p.m. GMT at least 2 (two) Business Days prior to the last day to make an election. **Should you fail to make an election or to respond within the time period stipulated in the notice, we will give effect to the default election set out in the notice, and such default election will be applied to your Issuer Securities.**
- (4) If a Corporate Action relates to cash Dividends:
 - (i) for Whole Securities:
 - (A) the Dividend, minus any applicable withholding tax, in respect of Whole Securities, will be paid by FWT into your Account,
 - (ii) for CFD Transactions:
 - (A) a payment of a cash equivalent of the pro rata percentage of the Dividend, that is received from an Issuer based on the fraction of the Underlying Reference Instrument of the CFD Transaction, which cash will be paid into your Account minus any applicable withholding tax; and
 - (B) in the event that you are exempt from withholding tax, you are required to provide us with an exemption confirmation in the format of the duly completed and signed Dividends Tax Exemption Form.
- (5) If a Corporate Action relates to a rights offer (a rights offer is an issue of rights to buy additional Issuer Securities made to the Company's existing security holders to take up further Securities in proportion to their existing holdings by way of the issue of "fully paid" or "nil paid" letters or rights):
 - (i) FWT shall send you a notice, to the email address stipulated in the Application Form which you submitted via the EasyEquities Platform, in terms of which you will be requested to make an election within the stipulated time period stated in the notice which time period will be no later than 12.p.m. GMT at least 2 (two) Business Days prior to the last day to make an election. **Your failure to respond within the time period stipulated in the notice, may result in FWT endeavouring to sell the nil paid rights on your behalf, prior to or on the last day to trade such nil paid rights. FWT gives no undertaking that it will be able to sell your nil paid rights in these circumstances. In the event that FWT is unable to sell such nil paid rights, you acknowledge that your nil paid rights will lapse and you will have no claim against FWT for failure to sell the nil paid rights on your behalf. You hereby indemnify FWT and hold FWT harmless for any losses which you may suffer as a result of any nil paid rights not being sold as contemplated in this clause.**

24.2 Voting rights

- (1) For Whole Securities registered in the name of, and held by, FWT Nominees, FWT will act on your behalf, to vote by proxy or in person (at FWT's discretion) for you, in accordance with your instructions (as communicated by you to us in accordance with clause 30), at any shareholders meeting of a Company in which you hold Whole Securities, and to vote in particular matters in accordance with your instructions (as communicated by you to us in accordance with clause 30), and to notify you in writing within 7 (seven) Business Days from when we become aware of all shareholders meetings related to:
 - (a) a cancellation of the listing of the Securities;
 - (b) any meeting having effect on the value of the Securities;
 - (c) a consolidation, amalgamation or merger of a Company in which the Securities are held;
 - (d) other take-over offers;
 - (e) insolvency;
 - (f) the subdivision, consolidation or reclassification of the Securities;
 - (g) the unbundling of the Securities by the Company;
 - (h) any meeting which may materially impact on an investment or Security; and
 - (i) any meeting relating to directors' appointments; so that you may provide instructions on how to vote.
- (2) Despite the provisions of clause 24.2, notice of any meeting relating to voting for any Company in which you own Whole Securities will be communicated to you in writing, in accordance with the provisions of clause 30, no later than 7 (seven) Business Days after receipt of a notice by us of such a meeting.
- (3) Your instructions on how to vote must reach us at least 5 (five) Business Days after receipt by you of the notice referred to in 24.2(2). **If you fail to notify us (in time or at all) you hereby unconditionally and irrevocably appoint us to vote as your proxy at any meeting in any manner we deem fit.**
- (4) As the beneficial (true) owner of Whole Securities registered in the name of, and held by, FWT Nominees, you have the right to attend any meeting as set out in this clause 24 and vote on your own behalf. If you choose to do so, you are obliged to give us 7 (seven) Business Days' notice of your intention to do so.
- (5) In respect of CFD Transactions, you will not have any voting rights.

25. CHARGES

- 25.1 The charges listed in the Cost Profile will be levied against your Account. Despite any other provision of this Agreement, charges will change and are not limited to only those charges set out in the definition of Cost Profile in clause 2.1(35). Additional charges may be charged and payable by you from time to time to make provision for any new fees, including without limiting the generality of the afore-going, any administration fees, commissions, taxes, costs, charges or any other funding costs which FWT and/or the UK Broker may become subject to or which may be associated with the performance by FWT and the UK Broker of their obligations under this Agreement. **New or additional charges will be charged by FWT in its sole and absolute discretion from time to time.**
- 25.2 FWT may amend the charges payable on your Account and the EasyEquities Platform, and may introduce new charges payable on your Account and the EasyEquities Platform, where necessary and from time to time. Details of any changes to the applicable charges will be posted on the Website. **You acknowledge that by continuing to engage in any activity using the EasyEquities Platform, and following any notice of the new or amended charges, any Trades or activities will be subject to the new or amended charges and you agree to be bound by any new or amended charges.**
- 25.3 **Without prejudice to FWT's rights to recover indemnity costs under clause 37 below, and Account charges listed in the Cost Profile, if your Account has an overdue debit balance (i.e. is in arrears) and it becomes reasonable for us to**

refer the matter to a law firm for collection, FWT has the right to add a charge which reflects our legal costs of referral to lawyers in connection with the collection of overdue accounts.

25.4 Your Account and each of your Orders will be subject to the standard cost settings which apply by default to all of our Client's Accounts and Orders. **This means that when you place an Order on the EasyEquities Platform, the GBP amount of your Order will by default automatically exclude all costs and charges associated with your Order and you will therefore be liable to pay for these costs over and above the GBP amount of your Order.** We may permit you, in our sole discretion to amend the default cost settings applicable to your Account and your Orders on the Settings Page. However, certain costs may in our sole discretion, never be included in the GBP amount of your Order.

26. **INSOLVENCY PROTECTIONS**

26.1 This clause sets out all the ways in which your ownership of Whole Securities and your interests in Fractional Security Rights are safe and protected, in the unlikely event that we suffer an Insolvency Event.

26.2 For the purposes of this clause:

- (1) **"Ceded Rights"** means the Ceded Rights as defined in clause 26.4(3) below;
- (2) **"CFD Transaction Profit"** means any amounts due to you, by us, as a result of CFD Transactions carried out on the EasyEquities Platform (as set out in clause 12.7(4) above) including pro rata percentages of the income received from any Issuer as described in clause 23.6(1), in respect of the Underlying Reference Instrument of your CFD Transaction;
- (3) **"Free Money"** has the meaning given to that term as in clause 7.2 above;
- (4) **"FWT Equities"** means the equities which FWT may purchase from time to time, to hedge FWT's obligations to you in respect of your CFD Transactions, which equities are held by FWT Nominees on behalf of FWT;
- (5) **"Insolvency Event"** means, in relation to FWT, any of the following events or circumstances:
 - (a) an Order or declaration is made for the liquidation, winding-up, or dissolution (and, in each case, whether provisional or final) of FWT or its estate;
 - (b) any liquidator is appointed in respect of FWT or any material part of its instruments;
- (6) **"Margin"** means the combined value of any Initial Margin and Variation Margin paid by you to, or due to you from, FWT in respect of your CFD Transactions on the EasyEquities Platform;
- (7) **"Secured Clients"** means you, and all other clients who have entered into the EasyEquities Terms and Conditions with FWT at any time prior to the happening of an Insolvency Event, whom FWT has provided a Security Cession;
- (8) **"Secured Obligations"** means any Margin, CFD Transaction Profit or Trade Profit which FWT may now or at any time owe to you in terms of this Agreement;
- (9) **"Security Cession"** means the cession in security (assuming the pledge construction), as set out in clause 26.4(3) below; and
- (10) **"Trade Profit"** means interest, Dividends, allotments, income, redemption proceeds and other distributions and payments, relating to Whole Securities.

26.3 For your Whole Securities:

- (1) All Whole Securities bought on the EasyEquities Platform are protected in an Insolvency Event, because all Whole Securities are segregated (i.e. kept separate) from the assets of FWT and held in safe custody by, and registered in the name of, FWT Nominees. As you are the beneficial owner of such Whole Securities, they do not at any time form part of FWT's estate.

- (2) Trade Profit due to you is held in the FWT UK Bank Account, operated by FWT Nominees for your benefit. The use of this account means that all Trade Profit amounts are regarded as Client Money. In an Insolvency Event, these amounts fall outside the estate of FWT, and are regarded as your own property.

26.4 For Fractional Securities:

- (1) Your Client Money and Free Money will be held in the FWT UK Bank Account operated by the FWT Nominees for your benefit. The use of the FWT UK Bank Account means that these portions of your Free Money are regarded as Client Money. In an Insolvency Event, these amounts fall outside the estate of FWT, and are regarded as your own property.
- (2) Your Margin will be paid to FWT and FWT will use your Margin to purchase the FWT Equities to cover (i.e. hedge) FWT's obligations to you in respect of your CFD Transactions.
- (3) From the Signature Date, as security for a debt, FWT cedes in *securitatem debiti* (i.e. as security for a debt) (assuming the pledge construction) to you (in your capacity as a Secured Client), all right, title and interest in and to the FWT Equities, that are now or at any time deposited in or stand to be credited to the FWT UK Bank Account, or such other account or held by FWT Nominees otherwise ("**Ceded Rights**"), as a continuing general covering collateral security for the due, proper and timeous payment and performance in full of all of the Secured Obligations subject to the terms and conditions set out below:
 - (a) the Security Cession takes effect on the Signature Date and no additional acts are required to create or perfect the Security Cession and Pledge;
 - (b) the Security Cession operates as a cession in security for a debt (assuming the pledge construction) of the Ceded Rights, individually and collectively;
 - (c) the Security Cession:
 - (i) may be enforced by you and/or the other Secured Clients when an Insolvency Event happens; and
 - (ii) **may not be enforced if any breach or termination of the Agreement occurs independently of an Insolvency Event;**
 - (d) until there is an Insolvency Event, FWT is expressly authorised to exercise all rights, powers and privileges and perform all obligations attaching to, and collect and retain and use all Ceded Rights in their own name and for their own benefit;
 - (e) the Security Cession is granted to all Secured Clients of FWT from time to time, irrespective of when you or any other Secured Client entered into this Agreement, so long as the Secured Clients entered into this Agreement before the Insolvency Event happened;
 - (f) all Secured Clients will share equally in the realisation proceeds of the Ceded Rights following the occurrence of an Insolvency Event provided that as a Secured Client your claim on an Insolvency Event will be restricted to the value of the Margin and CFD Transaction Profit which is owed to you (and which hasn't already been paid to you yet);
 - (g) The Security Cession will terminate when all the Secured Obligations have been settled unconditionally and irrevocably, and/or the Agreement is terminated. The Security Cession will not terminate by reason solely of the fact that there may at any time be no or reduced obligations or debts owing by FWT to you; and
 - (h) FWT will not grant any further cessions, pledges, mortgages, hypothecation, disposals or any other form of security or encumbrance in respect of the Ceded Rights other than to other Secured Clients on the same terms and conditions as set out herein.

27. MODIFICATIONS TO THE EASYEQUITIES PLATFORM

- 27.1 FWT may in our sole discretion, change, update, or improve the EasyEquities services from time to time, but has no duty to do so. FWT may also stop providing any available service to any person at any time without prior notice and may, in its sole discretion, remove Issuer Securities supported by the EasyEquities Platform ("**Discontinued Securities**").

27.2 You will be able to view the Discontinued Securities held by you in your Account. You will not however be able to Trade in Discontinued Securities via the EasyEquities Platform. FWT will however accept telephonic instructions to sell Discontinued Securities, but no new buy Orders will be permitted.

28. SECURITY INTEREST AND SET-OFF

28.1 The assets in your Account and all rights that you may have to claim against FWT will be subject to a first, perfected, and prior lien, security interest, and right of set-off and these rights are ceded in security by you in favour of FWT as security for the payment in full of any amounts owing, any indebtedness or any other obligation you may owe to FWT whether in terms of this Agreement or for any other reason.

28.2 The assets in your Account will be held by FWT as security for payment of any liability you may have towards us. **You agree to pay any debt owed to FWT and pay any debit balances in your Account on demand.** If payment is not made within 7 (seven) days of demand, FWT may sell some or all of your Whole Securities or close out some or all of your CFD Transactions, without prior notice, to pay for any liability. **FWT will not be liable for any losses that arise out of or relate to any such actions, including tax consequences you may face as a result of such actions. In the event FWT sells assets to satisfy a debt, FWT reserves the right to restrict or close your Account, and to seek payment of any residual indebtedness through any legal means possible, including but not limited to, reporting such debt to credit agencies.**

28.3 Set-off and netting:

- (1) We may (in addition to any general lien, right of set-off, right to combine accounts or any other right to which it may be entitled), without notice to you, set off any obligation of yours to make payment to us under this Agreement against our liability to you in respect of any credit balance (or any part thereof in such amounts as we may elect) in the Account.
- (2) On the liquidation or sequestration (whichever may be applicable) of either us or you:
 - (a) all unperformed obligations of either party in terms of any transactions executed in accordance with this Agreement:
 - (i) will terminate; and
 - (ii) will become due immediately;
 - (b) the values of the unperformed obligations will be determined; and
 - (c) these values will be netted, so that only a net amount is payable to or by a party,

and the value of any assets (if applicable) which have been transferred as Margin for obligations under any of the transactions executed in accordance with this Agreement will be included in the calculation of the net amount payable upon such liquidation or sequestrations (whichever may be applicable).

29. PAYMENTS

29.1 You can pay money into your Account for any purposes under this Agreement by means of:

- (1) using a debit or credit card provided you are not a SA Resident; or
- (2) any method of electronic funds transfer or international wire transfer which is acceptable to FWT; or
- (3) a Currency Transfer Request in accordance with the provisions of clause 30; or
- (4) redemption of a voucher purchased via the EasyEquities Platform.

29.2 Notwithstanding any other provision of this Agreement, SA Residents may not utilise a debit or credit card to fund their Account for any purpose under this Agreement.

29.3 It is solely your responsibility to ensure that you use the correct reference number which is displayed to you on the EasyEquities Platform when paying money into your Account. Failure to use the correct reference number when paying money into your Account, may result in (i) your money being credited to another client's account with us as Free Money if you have used that client's reference number or (ii) a delay in the crediting of the money to your Account as Free Money. **You acknowledge and agree that EasyEquities will not be liable or responsible for any loss, costs, claims or damages arising from your failure to use the correct reference number when paying money into your Account.** Successful payments made in terms of clause 29.1 will be credited to your Account as Free Money. You will be responsible for payment of any transaction fees and bank charges arising from your use of any of the payment methods listed in clause 29.1.

29.4 **Where you have elected to pay money into your Account by means of any of the payment methods set out in clause 29.1 above, you acknowledge and agree that you will not be able to withdraw those funds from your Account for at least the period of time set out in the table below following the date of receipt of the payment, transfer or deposit by us, or until such time as we may in our discretion, decide otherwise.** Please note that where you have elected to pay money into your Account by using a Currency Transfer Request, the time period associated with the payment method used to fund the source of your Currency Transfer Request (i.e. your ZAR Trading Account or your US Trading Account or your AUS Trading Account or your EUR Trading Account) will apply. For example, if you deposited funds into your ZAR Trading Account using a credit card and then submitted a Currency Transfer Request to fund your Account with the Requested GBP Value, you will not be able to withdraw those funds from your Account for a period of 10 (ten) calendar days following date of receipt of the credit card deposit by us.

Payment method:	Time period (Calendar Days)
Debit or credit card deposit	10
Electronic funds transfer or international wire transfer	5
Debit order deposit	40
Voucher	14

29.5 If you allow your Account to go into a negative balance for any reason whatsoever, you must pay us in cleared funds, that amount of money equal to or exceeding the negative balance on your Account. If you do not correct any negative balance by 12:00 p.m. GMT the following Business Day, this failure to pay may be an Event of Default.

29.6 You will also pay to us interest on any overdue amounts owing in terms of this Agreement at the rate of 5% (five percent) above the SAFEY base rate from time to time. We have the right to change the rate of interest payable from time to time for the purposes of taking into account changes in any factors that we think are relevant.

29.7 You may request that the whole or part of your Free Money be paid to you as long as the Free Money is not being used for any Trade or to support your CFD Transactions or is subject to the provisions of clause 29.8. We will give effect to your withdrawal request and such Free Money standing to the credit of your Account will be paid to your Designated Account unless you are subject to the provisions of clause 29.4 or during a Lock Period. Where you do not ask for payment, we are under no obligation to, but may, at our discretion, pay such monies to you. All bank charges howsoever arising will, unless otherwise agreed, be for your account. The manner in which we pay monies to you will be at our absolute discretion, having regard to our legal duties regarding the prevention of fraud and money laundering. We will only make payments into your Designated Account. **You acknowledge and agree that FWT does not make third party payments.**

29.8 All your Free Money and other assets that we may hold on your behalf are held as security for the payment and satisfaction of all monies, other indebtedness and liabilities which you may owe to FWT. The enforcement by FWT of its security interest over such assets may be effected at any time in accordance with Applicable Laws and regulations. FWT will at all times be entitled to exercise its right of lien, combination or set-off between accounts opened for you in its books.

29.9 FWT may from time to time host promotional competitions, marketing campaigns, giveaways or the like in terms of the which the winner/s may receive a voucher from FWT deposited into their Account ("**Campaign Voucher**"). You acknowledge and agree that you will not be able to withdraw the funds of the Campaign Voucher from your Account for a period of at least 3 (three) years following the date of deposit by us into your Account, or until such time as we may in our discretion, decide otherwise.

30. CURRENCY TRANSFER REQUESTS

30.1 If you have a ZAR Trading Account, an AUS Trading Account, a EUR Trading Account, or a US Trading Account, we may give you the option, in our discretion, to transfer any positive balance of the Free Money standing to the credit of your Account into your ZAR Trading Account or US Trading Account or AUS Trading Account, or EUR Trading Account by submitting a Currency Transfer Request via the EasyEquities Platform. FWT will debit your Account with the Requested GBP Value stated in your Currency Transfer Request and credit your (i) ZAR Trading Account with the Rand equivalent or your (ii) US Trading Account

with the US Dollar equivalent or your (iii) EUR Trading Account with the EUR equivalent, or your (iv) AUS Trading Account with the AUD equivalent, calculated at the Applicable Foreign Exchange Rate from time to time, subject to the terms and conditions set out in this clause 30.

- 30.2 For every Currency Transfer Request, you submit via the EasyEquities Platform, you must pay the Currency Transfer Fee to FWT which will be deducted from the Free Money in your ZAR Trading Account or US Trading Account or AUS Trading Account or EUR Trading Account, whichever is applicable.
- 30.3 FWT will process all Currency Transfer Requests in Batches subject to certain volume and other limits imposed on the frequency and/or number of Currency Transfer Requests which FWT may submit to the Authorised Dealer during any given period of time. Your Currency Transfer Request will be submitted to the Authorised Dealer together with all other Currency Transfer Requests received from our other clients in that Batch during the applicable Batch Period. All Currency Transfer Requests in the same Batch will be processed individually at the end of the Batch Period at the same Applicable Foreign Exchange Rate prevailing on the relevant Currency Conversion Date, despite any prevailing exchange rate quoted at the time your Currency Transfer Request was submitted.
- 30.4 **You warrant and represent that:**
- (1) **you will only use the US Dollars in your US Trading Account or the Rands in your ZAR Trading Account in your Account or the AUD in your AUS Trading Account or the EUR in your EUR Trading Account for investment through the EasyEquities Platform in terms of the EasyEquities US Trading Account Terms and Conditions and EasyEquities ZAR Trading Account Terms and Conditions and EasyEquities AUS Trading Account Terms and Conditions and EasyEquities EUR Trading Account Terms and Conditions, as the case may be;**
 - (2) **you will submit to any screening, including without limitation, any sanctions screening conducted by FWT, the Authorised Dealer and/or the SARB in terms of their anti-money laundering obligations under FICA or any other Applicable Law;**
 - (3) **you will provide FWT with all the relevant information necessary to conduct the screening in terms of clause 30.4(2) above, including without limitation, whether or not you are a prominent influential person or prominent public official as contemplated under FICA or any other Applicable Law;**
 - (4) **you will perform your obligations and exercise your rights in terms of this Agreement and in particular, in terms of any Currency Transfer Request, only within the parameters and rules of Exchange Control and within any foreign investment restrictions or remittance allowances to which you may be bound under Exchange Control or in terms of any other Applicable Laws;**
 - (5) **you know and understand that the provisions to which you may be bound under Exchange Control, including without limitation, your offshore investment allowances, are subject to change at any time at the discretion of the SARB and you alone are responsible for confirming whether it is lawful under Exchange Control or in terms of any other Applicable Laws to submit Currency Transfer Requests at the Requested GBP Values to us at any given time.**

30.5 You acknowledge and agree that:

- (1) the Applicable Foreign Exchange Rate applied by FWT to a particular Batch of Currency Transfer Requests may differ from the exchange rates quoted by other banks, authorised dealers and financial institutions from time to time and that the Applicable Foreign Exchange Rate may fluctuate significantly between the time of submission of your Currency Transfer Request and the Currency Conversion Date. Your Currency Transfer Request may not be processed immediately and the Rands or US Dollars or AUD or EUR (whichever is applicable) may only reflect in your ZAR Trading Account or your US Trading Account or your AUS Trading Account or your EUR Trading Account (whichever is applicable) up to 10 (ten) Business Days after the date on which you submit the Currency Transfer Request. You acknowledge that this may expose you to currency risk due to fluctuations in the GBP to Rand exchange rate or the GBP to US Dollar exchange rate or the GBP to AUD exchange rate or the GBP to EUR exchange rate during the 10 (ten) Business Day waiting period;
- (2) all Currency Transfer Requests submitted by you are subject to Exchange Control. You acknowledge that FWT may demand further information from you relating to your Currency Transfer Request from time to time, for any reason whatsoever, including without limitation, any supporting documentation required in terms of Exchange Control. You consent to and authorise FWT to disclose any of your personal information and/or transaction data to any person or regulatory body in accordance with Applicable Law, including without limitation, the Authorised Dealer, the SARB, the South African Revenue Services, the Financial Intelligence Centre and/or the FSCA;
- (3) processing of your Currency Transfer Requests are subject to the prior approval of the Authorised Dealer. The Authorised Dealer may in its sole and absolute discretion approve or decline any Currency Transfer Request submitted by you via the EasyEquities Platform. If your Currency Transfer Request is declined by the Authorised Dealer, FWT will not debit your Account with GBP and credit your (i) US Trading Account with US Dollars or your (ii) ZAR Trading Account with Rands or your (iii) AUS Trading Account with AUD or your (iv) EUR Trading Account with EUR . You acknowledge that we are not liable for any Currency Transfer Requests submitted by you which are delayed or declined by the Authorised Dealer and that you indemnify us for any delay or decline in terms of clause 30.6.
- (4) FWT's margin on the Applicable Foreign Exchange Rate may change at FWT's discretion, as reflected in the Cost Profile, from time to time.

30.6 You hereby indemnify FWT, FWT Nominees and all Affiliates, and hold us harmless from and against any and all claims, proceedings, damages, loss, costs, and expenses relating to or arising from any Currency Transfer Request submitted by you via the EasyEquities Platform, including, without limitation, those relating to or arising from any delay, failure or refusal by the Authorised Dealer and/or the SARB to process any Currency Transfer Request, for any reason whatsoever.

30.7 We have the right to suspend your use of Currency Transfer Requests at any time, for any reason whatsoever.

31. NOTICES AND ADDRESSES**31.1 Notices**

- (1) Any notice, consent, approval or other communication in connection with this Agreement ("Notice") will be in writing in English.
- (2) You acknowledge and confirm that any Notice from FWT made under or in connection with the Agreement may be made verbally or in writing in Notices or other communications to your last known home address, place of work, land line telephone number (including a telephone answering machine), mobile telephone (including answer phone), fax number, email address or other contact details, as provided by you in your Application Form, or subsequently amended by you.

32. TAXES

- 32.1 **You are responsible for paying all taxes, including without limitation any applicable stamp duty and value added tax, that may arise as a result of your Trading activity, whether under current or changed Applicable Law or practice and if we become responsible for making any payment or payments relating to your Trading you authorise us to deduct any such payment from your Account or otherwise require you to pay or reimburse us.**
- 32.2 You will be responsible for paying the full amount of all taxes and duties in respect of Whole Securities purchased and CFD Transactions entered into via the EasyEquities Platform as set out in the Cost Profile. For accounting purposes, your tax liability or liability for transfer administration fees will be rounded off to the nearest penny.
- 32.3 We will not be responsible for notifying you of a change in tax law or practice and you should seek professional advice as to your personal tax situation.
- 32.4 FWT will be responsible for paying any dividends tax in respect of any and all dividends declared and paid by Issuers on Whole Securities which shall be levied at the rate stipulated under Applicable Law, from time to time, and calculated on the amount of such dividends ("**Dividends Tax**").
- 32.5 **You also consent to and allow us to deduct any Dividends Tax levied in terms of Applicable Law from any and all gross dividends declared and paid to your Account and for us to only pay you the net amount of such dividends and to pay the Dividends Tax to the relevant taxing authority on your behalf.**
- 32.6 For tax purposes, your intention when you transact determines if any gain made on a Trade is subject to income tax or capital gains tax. We cannot make this determination on your behalf. We may however provide you with a report which will summarise the gains and losses you made during a year. This report may make use of the weighted average method to calculate any gains and losses. **We will take care in preparing the information but we give no representation, warranty or undertaking and no responsibility will be accepted by us as to the accuracy of the information contained in any report we provide to you.**
- 32.7 We are not able to provide you with any tax advice pertaining to any of the above. We would recommend that you obtain specific tax advice from your tax advisor or from a tax authority.

33. TRANSFER OF ACCOUNTS

- 33.1 If you decide to transfer your Account to another broker, you may only do so by providing written instructions to transfer your Account to another broker. A transfer may only be made to an Account in your name with another broker in accordance with the provisions of Applicable Law.
- 33.2 A fee may be charged for the transfer of Whole Securities to another broker, as listed in the Cost Profile.
- 33.3 Only Whole Securities may be transferred. You will be responsible for the payment of any taxes, costs or expenses in respect of Whole Securities transferred to another broker or that broker's nominee.
- 33.4 CFD Transactions entered into with FWT, will be closed out once your instruction to transfer your Account (as per clause 33.1) is received. You will receive a cash settlement in respect of your profit or loss under the CFD Transaction as calculated in terms of clause 12.7(4) above and paid according to clause 29.
- 33.5 **In the event that you transfer Whole Securities from another broker to us, we will facilitate this transfer, but we will not be liable or responsible for any tax consequences arising from such a transfer, and you will be responsible for paying all taxes that may arise as a result of the transfer. This means that you will have no claim against us in this regard.**

34. PROTECTION OF PERSONAL INFORMATION

- 34.1 Only authorised persons may use the FWT services. FWT may view, monitor, and record activity on our Website without notice to or permission from you.
- 34.2 You acknowledge that by opening an Account with us and by Trading with us you will be providing us with Personal Information, which may be protected by data protection legislation, including amongst others, POPI. You authorise us to:

- (1) Process (as defined under POPI) all such Personal Information;
- (2) transmit any such Personal Information to any Affiliate for the purposes of FWT's performance in terms of the Agreement, and in furtherance of our legitimate interests including statistical analysis, marketing of our services and credit control; and
- (3) transmit any such Personal Information to any Affiliate for marketing purposes.

34.3 From a marketing perspective, you consent also to receive direct marketing of our services and products, and those of our Affiliates, to be marketed by means of electronic communication.

35. INTELLECTUAL PROPERTY RIGHTS

35.1 **You acknowledge and agree that the copyrights, trademarks, service marks and all other intellectual property or other rights to any information distributed to or received by you whether sent by us or on our behalf, by any means (including but not limited to by Internet electronic communication or mobile phone), together with any advertising media, Website or other material connected to the EasyEquities Platform and in any databases that contain or constitute the information, will remain our sole and exclusive property.**

35.2 You will not permit or facilitate, and will take steps to prevent any sale, re-distribution, dissemination, re-publication or re-display of the information referred to in clause 35.1, however received, to any third party.

36. INTERNET TRADING

36.1 You may only open and close Trades during our published trading hours, as found from time to time on the Website. It is your responsibility to familiarise yourself with these trading hours. **We will not execute any instructions to Trade outside of these hours (and, if the EasyEquities Platform allows for a Trade entry outside these hours, we reserve the right to cancel any and all such Trade(s)).** We may suspend your ability to Trade in the circumstances set out in clause 41 (Force Majeure).

36.2 We may reject any internet Trading instruction for any reason including, but not limited to, the fact that you do not have enough money in your Account to pay for the proposed Trade.

36.3 Internet Trading instructions must be accepted by us and as such we will have no liability to you if the internet connection is lost with the result that you are unable to Trade at any given price.

36.4 We take reasonable precautions to ensure that data created by us has been checked for viruses, but it is your responsibility to ensure that the onward transmission, opening or use of this data will not negatively affect your systems or data. Please make sure that your computer has up-to-date virus detection software and please carry out virus and other checks as you consider appropriate. **We accept no responsibility for losses that you may suffer as a result of the onward transmission of viruses, from us to you.**

36.5 The EasyEquities Platform is a sophisticated trading platform and although we take reasonable care to ensure that it operates correctly, it may be subject to errors or failures from time to time. As a result of such errors or failures, and even though we have a back-up disaster recovery site which we may operate from to reduce any risks to you, you may still experience problems with the EasyEquities Platform, including that:

- (1) You cannot Trade or communicate with us through it;
- (2) You receive misleading or inaccurate information from it, including information about prices;
- (3) You may not be able to open or close Trades; and
- (4) You may not receive messages that we send you, for example Contract Notes.

36.6 **We do not guarantee that the EasyEquities Platform will be without any problems, and you Trade on the EasyEquities Platform at your own risk of sustaining loss or damage as a result of any such problems.** Such loss and damage might happen as a result of:

- (1) Being unable to open or close a Trade at a particular time;

- (2) Believing that you have Traded (for example by opening or closing a Trade) when our system records state that you have not, or believing that you have not Traded when our system records show that you have;
- (3) Making Trading decisions (including for example decisions concerning the opening and closing of Trades) on the basis of inaccurate information about prices; and
- (4) Other difficulties, misunderstandings, errors or unintended consequences caused by problems with the EasyEquities Platform.

36.7 If as a result of problems with the EasyEquities Platform our computer records differ with your records or what you remember of your Trading, the version of events recorded by our computer will apply (in the absence of dishonesty by us) and our obligations to each other (including the obligation to pay any money) will be calculated on the basis that our computer records are correct. Therefore, if you are having difficulty with the EasyEquities Platform in any way, you should telephone us as quickly as possible so that any misunderstanding or mistake can be avoided or corrected, and especially if you wish to Trade.

36.8 We have the right to remove altogether, or reduce the availability of, the EasyEquities Platform, at any time.

36.9 We strongly recommend that you keep your own records of your internet Trading instructions including details of the times, dates, and nature of your instructions. These details may be important if there is a dispute.

37. INDEMNITY

You agree to defend and indemnify FWT, FWT Nominees and all Affiliates, and hold them harmless from and against any and all claims, proceedings, damages, injuries, liabilities, losses, costs, and expenses (including reasonable attorneys' fees and litigation expenses), relating to or arising from any breach by you of this Agreement, any Applicable Law or FSCA determination. This means that if you do not comply with the terms of this Agreement, any Applicable Laws or determination by the FSCA, you will have to pay for any of the above losses and expenses caused to FWT, its nominees or Affiliates, or any third party because of your breach.

38. ASSIGNMENT

38.1 The Agreement will operate for the benefit of you and FWT. The Agreement is binding on you, us and our respective successors. You may not transfer (assign) any of your rights or obligations under this Agreement to any third party, unless a director of FWT has agreed to the transfer in writing.

38.2 FWT may, without your approval, transfer (assign) any part of its rights or obligations under the Agreement to any third party as of a date and on such terms notified to you as per clause 31.3. Where FWT transfers rights and obligations in this way:

- (1) we will advise you of the transfer in accordance with clause 30; and
- (2) **you agree that FWT may provide information about you (including information that may be protected by law), your Trades and Account, to the transferee (i.e. the person to whom FWT is transferring its rights and obligations), disclose to a potential assignee or transferee any information about you (including information that may be protected by law) your Account and your Trades.**

39. DISPUTES

39.1 You must give us written details of any dispute as soon as it arises. Sometimes, you may have only a limited time within which to advise FWT of a dispute. If you do not advise us of the dispute within the allowed time period, we may reject (i.e. not accept) the dispute. Disputes must be referred to FWT's compliance department. Contact information for our compliance department is listed on our Website. FWT will try to settle your dispute quickly and reasonably taking into account industry practice.

39.2 If FWT closes any Trade according to clause 39.1 above FWT may recover any losses made by you on the Trade if you are contractually bound by it as though we had closed the Trade in accordance with your express instructions.

39.3 If we think that it is necessary, we may close any open Trade or cancel any related buy or sell Order to limit the amounts involved in the dispute.

39.4 FWT has the right to refuse to accept any Trading instructions from you except for instructions to close existing Trades, in scenarios where there is any unresolved dispute with you.

40. TERMINATION

You or FWT may close your Account at any time. If your Account is closed, you are still responsible for all debts or obligations you owe to FWT and in respect of any previous or pending Trades.

41. FORCE MAJEURE

41.1 To the extent that it becomes impossible for you or FWT (a Party) to perform any obligation (other than a payment obligation) in terms of this Agreement as a result of an event or circumstance that:

- (1) was not considered when the Agreement was entered into;
- (2) even if it was considered, cannot be guarded against or reasonably avoided,
- (3) either Party may: advise the other Party within 5 (five) Business Days that an unforeseen event has happened, and the nature, extent, effect and likely duration of the event;
- (4) keep the other Party updated as may be reasonably required by the other Party;
- (5) take all reasonable action to correct or lessen the consequences (and report to the other Party); and
- (6) continue to perform its obligations under this Agreement as soon as possible and advise the other Party when performance of the obligation again becomes possible.

41.2 Performance of obligations under this Agreement is suspended for as long as the event or circumstance continues to make the performance impossible.

41.3 If the event or circumstance continues for longer than 7 (seven) Business Days either Party may cancel this Agreement on written notice to the other Party provided that the obligation which the affected Party is unable to perform is a material obligation under this Agreement.

42. MANIFEST ERROR (INCLUDING PRICING DATA ERRORS AND CORRECTIONS MADE BY EXCHANGES)

42.1 FWT quotes thousands of prices each month and there may be instances where we mistakenly provide you with an incorrect Quoted Price. The following provisions apply in the case of an obvious error having regard to all relevant market information and conditions (including the Recognised Exchanges) and any mistake or misunderstanding of, any information source, e.g. price data information, commentator, official, official result or pronouncement (“**Manifest Error**”).

42.2 An error in a Quoted Price will be a Manifest Error if it is different from the price that we would normally have quoted at the time when you asked for it, having regard to the nature and size of the Trade, our pricing policy at the time, market price feeds and other data we receive, and to the state of any Recognised Exchange.

42.3 **If at the time that you place, modify or close your Trade with us on the basis of an incorrect price where you know or suspect that the quote was wrong or you should have known that it was wrong, we have the right to declare any Trade void (i.e. invalid and unenforceable) based on the incorrect price or, if appropriate, reinstate the Trade at the correct market price.**

42.4 To avoid any doubt, we will work on the basis that any Trade pricing error is a Manifest Error where it is based on:

- (1) an incorrect price feed from our pricing data providers;
- (2) a pricing error generated by our own system; or
- (3) in rare circumstances where you are able to use the EasyEquities Platform to execute a Trade outside of the market hours of the Recognised Exchange.

42.5 Where this happens, we will reverse or modify any Trade(s) based on the pricing error(s).

- 42.6 **We also have the right to suspend any Trades in any Security, for as long as we think necessary (acting reasonably) under any abnormal conditions that affect the Recognised Exchange.**
- 42.7 If a Recognised Exchange identifies an error in the price, index movement, or the like which affects the settlement price of one or more Trades and where the exchange levies additional cost on the Trade as a result of steps taken to correct the situation, we have the right to revise the outcome of any Trade(s) and adjust your profit or loss accordingly.
- 42.8 **If a Manifest Error has occurred and we choose to exercise any of our rights under this clause 42, and if you have received any monies from us in connection with the Manifest Error, you agree that you owe, and must pay, those monies to us without delay.**
- 42.9 In case of any dispute arising other than in connection with pricing errors or corrections made by the Recognised Exchanges, as to whether you should have known that the Quoted Price was incorrect under clause 42.3 above, you will be deemed to have known at the time when you entered into the Trade(s) in question, the true price of the Security underlying your Trade(s) or that the Recognised Exchange was not open for trading at the time of your Trade(s) executed on the EasyEquities Platform.
- 42.10 **We are not liable to you for any loss, cost, claim, demand or expenses you suffer (including any indirect losses) resulting from a Manifest Error including our reversal of the Trade(s) you executed on the basis of the Manifest Error.**

43. EVENTS OF DEFAULT

43.1 An Event of Default includes all of the following:

- (1) you do not provide any Initial Margin, Margin, or any other payment due to FWT in relation to your Trading or other dealings with FWT; or
- (2) you do not act in accordance with the terms of this Agreement; or
- (3) you die or become a mental patient within the meaning of any applicable mental health legislation; or
- (4) you are deregistered; or
- (5) a bankruptcy, or insolvency is presented against you, or any act analogous to any of those events occurs in any of the jurisdictions in which you are resident; or
- (6) you convene a meeting for the purpose of making or proposing or entering into any arrangement or composition for the benefit of your creditors (other than for the purposes of a bona fide reconstruction or amalgamation); or
- (7) any distress, execution, or other process is levied against any of your property and is not removed, discharged or paid within seven days; or
- (8) you have any security created by any form of mortgage or charge and the mortgagee and/or charge takes steps to enforce the security; or
- (9) any debt owed by you becomes immediately due and payable or capable of being declared so due and payable, prior to its stated maturity by reason of default on the part of any person, or you fail to discharge any indebtedness on its due date whether to FWT or not (other than a liability which you are contesting in good faith); or
- (10) you commit any breach of any representation or warranty that you gave to us for the purposes of opening or closing any Trade, series of Trades or Orders, or if you fail to immediately advise us if any representation or warranty subsequently becomes untrue or misleading after it has been made; or
- (11) FWT reasonably believes that you will be unable to pay your debts as they fall due and action in accordance with clause 43.2 below is necessary or desirable to protect the commercial interests of FWT and of its other customers; or
- (12) any payment order made by you is countermanded or returned by your bank unpaid (it will be an Event of Default should a cheque paid by you not clear on first presentation); or

(13) an Insolvency Event in respect of FWT occurs.

43.2 If an Event of Default occurs in relation to you, FWT (or its administrator, receiver, trustee, business rescue practitioner or the like), without prejudice to any other right against you which it may have, may:

- (1) close, without prior notice to you, any or all of your Trades (in whole or in part) at a level based on FWT's then prevailing price or, if no prevailing price, at a level which is fair and reasonable;
- (2) exercise its rights of set-off under this Agreement;
- (3) close your Account and refuse to accept any further Trades from you or undertake any Trading with you;
- (4) recover any sums which are payable by you in respect of realised losses on your Account;
- (5) charge you interest on any money due, from close of business on the date when monies first fell due until the date of actual payment at a rate not exceeding SAFEY +5%; and/or
- (6) if you fail to make a payment when due, inform your partner, employer, any professional, regulatory or other organisation with which you are associated or any person who we believe to have an interest in knowing such facts of the amount of such overdue sum, the circumstances thereof, the fact that you have failed to make payment, and any other relevant facts or information. **By entering into this Agreement, you expressly consent to any disclosure of this data by us in the circumstances set out herein.**

43.3 **If you do not pay us any money you may owe us on time, it will be treated as a continuing Event of Default and give us the right to close any or all of your Trades, in whole or in part, at any time before the money is paid.** This includes the closure of any and all Trades which would be profitable to you at the time of the forced closure (where reasonably possible) to the extent necessary for you to meet your outstanding monetary obligations to us.

43.4 **We do not owe you any duty to consider your interests in exercising our rights on the occurrence of an Event of Default.**

43.5 You must give notice to FWT if you have reason to believe that an Event of Default has occurred in relation to your Account or if you have reason to believe that an Event of Default will occur.

44. MARKET ABUSE

44.1 FWT will frequently hedge its potential liability to you by entering into transactions with other institutions. The results of us doing this is that when you place a Trade it may, through our hedging transaction, influence the price of the underlying Security on the Recognised Exchange and impact our own Quoted Price for that Security. This creates a possibility of market abuse and the purpose of this clause is to prevent such abuse. **You represent and warrant to FWT and agree that each such representation and warranty is deemed repeated each time you open or close any Trade that:**

- (1) **you will not place and have not placed any Trade(s) with FWT relating to a particular Security if placing these Trades would result in you or other people with whom you are acting in concert, having an exposure to that Security which is equal to or exceeds the amount of a declarable interest in the Security. (Declarable interest is that level set by the Recognised Exchange(s) on which the underlying Security is listed);**
- (2) **You will not place and have not placed any Trade(s) in connection with:**
 - (a) **a placing, issue, distribution or other similar event; or**
 - (b) **an offer, take-over, merger or similar event;**

in which you are involved or otherwise interested whether directly or indirectly; and

- (3) You will not place or have not placed any Trade(s) that violates any law against any form of market manipulation whether in terms of Applicable Law or otherwise (including without limitation, any prohibitions relating to insider trading, price manipulation, entering orders to buy or sell Securities which involve no change in the beneficial ownership of those Securities or effecting or assisting a market corner). You agree that your Trading with us will be treated as dealing in Securities within the meaning of applicable anti-fraud provisions of the country of the Recognised Exchange and/or of incorporation of FWT and any other country which may be able to legally take action against you and/or us on the basis of the violation of such anti-fraud provisions.

44.2 In the event that you place any Trade(s) in breach of the representations and warranties given in clause 44.1 above or we suspect that you have done so, FWT may:

- (1) close any Trade(s) that you may have open at the time;
- (2) enforce the Trade(s) against you in order to recover any losses attached to that/those Trade(s); or
- (3) where you have made a profit on such Trade(s), treat the Trade(s) that we close as void in terms of this clause, unless you are able to prove that you have in fact not committed the breach of warranty and/or misrepresentation. If you do not prove your compliance to the representation or warranty within one week of the closing of the Trade, the Trades will be finally treated as null and void between us.

44.3 You acknowledge that FWT may not transfer voting rights relating to any Security held by FWT or otherwise be allowed to influence the exercise of voting rights held by us or on our behalf.

45. ADJUSTMENTS AND TAKEOVERS

45.1 “Market Events” are any declaration by an Issuer which is a Company of the terms of any of the following:

- (1) a subdivision, consolidation or reclassification of shares, a share buy-back or cancellation, or a free distribution of shares to existing shareholders by way of a bonus, capitalisation or similar issue;
- (2) a distribution to existing holders of shares of additional shares, other share capital or securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer in equal proportion with such payments to holders of the underlying shares, or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing market price per share as determined by us;
- (3) any other event in respect of the shares similar to any of the above events or otherwise having a diluting or concentrating effect on the market value of the shares; or
- (4) any event similar to those described above that has a diluting or concentrating effect on the market value of any financial instrument not based on shares.

45.2 If there is a Market Event, you agree that we may deal with your Orders or Trades in good faith in order to preserve the economic equivalent of the rights and obligations of both of us in relation to such Trades immediately before that Market Event. In order to do this, we may either:

- (1) Vary the terms of your Trade; or
- (2) Cancel and/or close out the Trade on notice to you.

45.3 Any adjustment as set out in clause 45.2 above will be effective from the date determined by us. We will inform you of any adjustment or amendment as soon as possible.

45.4 If at any time a take-over offer is made in respect of an Issuer which is a Company, then at any time before the closing date of that offer we may give notice to you of our intention to close any open Trades relating to that Company’s Securities. The date of such notice will be the closing date and we will notify you of the closing price.

45.5 In the event of a special dividend we may make an appropriate adjustment (including a retrospective adjustment i.e. one that applies to past Trades) to the opening price of a Trade.

45.6 **Where you have an open sell Trade on a single Security and that Security is recalled resulting in the closure of our hedged position, we have the right to close your Trade at our then prevailing buy quote without giving prior notice to you.**

46. SUSPENSION AND INSOLVENCY

46.1 If at any time trading is suspended in any Security which is the subject of an open Trade then that Trade will be valued at the mid-price quoted by us at the time of suspension. Where the suspension continues for 5 (five) Business Days, we may agree a closing date and a closing price, which price will be the closing price for that Trade. Where we do not agree on a closing price or closing date, any affected open Trade will stay open until the suspension is terminated or until, where the Security is in respect of a Company, that Company goes into insolvency or is otherwise dissolved. **We have the right at all times during the term of an open Trade where the Security is suspended to adjust the mid-price quoted by us.**

46.2 If a Company, whose Securities represent all or part of the subject matter of an open Trade goes into insolvency or is otherwise dissolved, we will treat the day on which the Company goes into insolvency or is otherwise dissolved as the closing date of that Trade. The closing price will be the value of any distribution a holder of a Security of the same type as the Security underlying the Trade would receive.

46.3 **FWT has the right at all times when your Trades are suspended under this clause 46, to revalue the price of that Trade and/or to change the Margin requirement.**

47. BREACH

47.1 Should either Party (“**Defaulting Party**”) breach (fail to comply with) any of the provisions of this Agreement, then the other Party (“**Aggrieved Party**”) may give the Defaulting Party 7 (seven) Business Days written notice or such longer period of time as the Aggrieved Party may specify in the notice, to comply or correct the breach. If the Defaulting Party fails to comply with the notice, the Aggrieved Party may:

- (1) claim immediate payment and/or performance by the Defaulting Party of all of the Defaulting Party’s obligations that are due for performance under the Agreement; or
- (2) cancel this Agreement upon written notice to the Defaulting Party where the breach constitutes a material breach (a material breach is one that defeats the purpose of the Agreement),

in either event without prejudice to the Aggrieved Party’s right to claim damages or to exercise any other rights that the Aggrieved Party may have under this Agreement or in law.

47.2 Without detracting from the provisions of clause 47.1, the Aggrieved Party may cancel this Agreement at any time by giving to the Defaulting Party notice of the cancellation if:

- (1) the Defaulting Party commits a material breach of this Agreement which cannot be corrected;
- (2) the Defaulting Party is, other than for the purposes of reconstruction or amalgamation, placed under voluntary or compulsory sequestration, winding-up, judicial management, business rescue or the equivalent of any of these in any country;
- (3) a judgment against the Defaulting Party which cannot be appealed; or
- (4) the Defaulting Party makes or offers to make a general assignment or any arrangement or composition with or for the benefit of its creditors generally (or any class of its creditors) for releasing it wholly or partially from its debts.

47.3 Any cancellation of this Agreement by the Aggrieved Party will be effective once a cancellation notice has been received by the Defaulting Party (in the case of a material breach) or the date of the breach (in circumstances mentioned in clauses 47.1(2), 47.2(3) or 47.2(4)).

47.4 Any cancellation is without prejudice to any claim that either Party may have in respect of any breach of the terms and conditions of this Agreement by the other Party arising before the Agreement was cancelled.

48. VARIATION OF THIS AGREEMENT

- 48.1 This Agreement may be varied by FWT at any time. The variation will be effected by publishing the new version of the Agreement on the Website and will apply to all your trading with us as from 10 (ten) Business Days after the date of publication unless it is impracticable in the circumstances to do so.
- 48.2 Alternatively, we may notify you by email whenever a variation of this Agreement is made and provide you with details of same and when such variation will take effect and, if necessary, where you can find a copy of any new version of the Agreement on the Website. You may request, at any time, that we send you a paper copy of the varied Agreement.
- 48.3 **You acknowledge that by continuing to have an account with us engage in any Trading activity using the EasyEquities Platform, which includes making payments or withdrawals in accordance with clause you agree to be bound by any new version of the Agreement, published on the Website, emailed to you or delivered to you in hard copy or by any other manner from time to time.**
- 48.4 Any amended Agreement, as published on our Website, will supersede any previous agreement on the same subject matter and will govern any Trade or Order entered into after, or outstanding on, the date the amended Agreement comes into effect. It is therefore your responsibility to ensure that you are aware of the latest version of the Agreement as published on the Website before opening any new Trade and/or continuing to use the EasyEquities Platform and the services therein.

49. GENERAL

- 49.1 This Agreement is the whole agreement between the Parties.
- 49.2 No indulgence by a Party to another Party, or failure to enforce the terms of this Agreement, will be interpreted as a waiver or be capable of founding an estoppel (estoppel is a legal principle which allows a court to stop a litigant from taking an action which he/she would otherwise be able to take).
- 49.3 The Parties will do everything reasonable to ensure the effectiveness of this Agreement and the performance of their obligations under the Agreement.
- 49.4 If a term of this Agreement is illegal or unenforceable, that particular term may be cancelled and the remaining terms of the Agreement will still operate.
- 49.5 This Agreement is governed by South African law.
- 49.6 The Parties consent and submit to the non-exclusive jurisdiction of the High Court of South Africa, Gauteng Local Division, Johannesburg in regard to all matters arising from this Agreement.
- 49.7 This Agreement may be executed in counterparts, each of which will be an original and which together constitute the same agreement. Signature of this Agreement by the Parties sent electronically by fax, email or by electronically accepting the terms and conditions on the EasyEquities Platform and/or Website will be treated as the Party's original signatures for all purposes under this Agreement. Sending copies of this Agreement and the pages requiring signatures by fax, by email in "portable document format" (.pdf) form, or by any other electronic means intended to preserve the original appearance of the Agreement, or by a combination of these methods, will be effective execution and delivery of this Agreement to the Parties and may be used as an original Agreement for all purposes. **You acknowledge that by continuing to engage in any Trading activity using the EasyEquities Platform, you agree to be bound by the latest version of the Agreement, published on the EasyEquities Platform and/or the Website, emailed to you or delivered to you in hard copy or by any other manner from time to time.**
- 49.8 You authorise FWT to telephone or otherwise contact you at any time in order to discuss any aspect of FWT's or its Affiliates' business(es).
